**RE: County Commission Meeting – December 8, 2020
Item #40: – Proposed Ordinance No. 2020-XXX –Wireless Communications Facilities**

Dear Mayor Geller, Vice Mayor Udine and Commissioners Rich, Bogen, Fisher, Furr, Ryan, Sharief and Holness:

I write on behalf of my client, T-Mobile South, LLC., (“T-Mobile”) regarding the captioned Ordinance. We appreciate the opportunity to work with your County Staff and most especially, Assistant County Attorney Amanda Tolbert, regarding the subject Ordinance affecting the deployment of wireless communications facilities within Broward County. T-Mobile supports the captioned Ordinance as redlined in the supplemental Agenda package last date revised 12/03/2020.

Thank you to Ms. Tolbert and County Staff for allowing us to provide input and participate in the process to bring forth an Ordinance that is compliant with State and Federal Laws as well as respectful of local issues and concerns. We look forward to continuing to partner with Broward

County to deploy wireless services, including E-911 and 5G, that will benefit residents, local businesses and visitors within your community.

Sincerely,

A handwritten signature in blue ink, appearing to read "Deborah L. Martohue".
