

Sec. 1-88. - Public art and design.

(a) Public art and design program.

- (7) An amount equal to fifteen (15) percent of the eligible public art allocation of the construction project (which is .003 of the total eligible construction costs) may be used for project support and community participation activities for public owned property . This may include artist selection-related costs, consultants, design/proposal/maquette costs, identifying plaques, project documentation, publicity, community education activities, and other purposes as may be deemed appropriate for the administration of the program.
