SUBJECT: Trauma Agency's recommendation regarding Class 2 and Class 3 COPCN renewal applications

The Class 2- Advanced Life Support (ALS) transfer and Class 3- Basic Life Support (BLS) transport Certificate of Public Convenience and Necessity (COPCN) renewal applications for Broward Ambulance, Inc. d/b/a AMR and MCT Express, Inc. and the complaints and resolutions of both providers within their last COPCN period were provided to Trauma Services for review by Consumer Protection Division. Based upon the requirements of Chapter 3 ½, Emergency Medical Services and Nonemergency Medical Transportation Services, and the review of all complaints and resolutions of both providers over the last COPCN period, the Broward County Trauma Agency recommends the approval of the Class 2 and Class 3 COPCN renewal applications for both providers contingent on meeting any additional requirements of Broward County, Code of Ordinance, Chapter 3 ½.
