Fort Lauderdale, Florida 33301

Re: Broward County Commission Regular Meeting Agenda of January 25th 2022, Item 22-056, Motion to Enact Broward County Preventative Health Care Program Ordinance

Good afternoon Mayor Udine:

I understand my name is listed on a document presented to the County Commission on September 21st, 2021, which could interpret that I support the proposed half-percent (0.5%) health care surtax. Please know that I wholeheartedly support encouraging health care screening for our residents and appreciate Commissioner Bogen's efforts on behalf of county residents. To be clear, however, I absolutely would need more information regarding the financial implications of the process. As a former mayor representing taxpayers, I always conduct a cost-benefit analysis before supporting a position.

Sincerely,

Walter B. Duke, III, MAI, CCIM

WBD/kf

cc: Commissioner Mark Bogen
County Attorney Drew Meyers
