Re: The Enclave 2nd Section
NVAL Amendment Narrative Letter
Plat Number 048-MP-92
WFI Project Number 21005.01

Dear Howard:

This letter is to accompany an "Application to Change or Waive Requirement of the Broward County Land Development Code" (Page 2), and to satisfy comments No. 4 and No. 6 from the Pre-Application Conference Receipt for an NVAL Request dated February 23, 2022, for the above referenced project.

NVAL Amendment Narrative:

Enclave at Plantation is located in Plantation, Florida. This property is bound by OPWCD Canal and OPWCD Canal Right-of Way to the north, Hawk's Landing subdivision to the east, Hawk's Landing canal to the south, and Hiatus Road to the west. The existing Non-Vehicular Access Line (NVAL) for this portion of the property abuts the east side of Hiatus Road, starting at STA 846+48.66 and runs north to STA 855+28.40. The current traffic pattern for Hiatus Road between these stations consists of three (3) lanes of movement (north to south) on the west side and three (3) lanes of movement (south to north) on the east side. There is an existing lefthand southbound turn lane on the north side of Hiatus Road. However, this left-hand turn contributes only to U-turns and does not contribute to turning movements into or out of the west side of the property as vehicular access to this side of the property is not available. Overall, no vehicles can access the property on the north, east, or south side of the property.

Given that forty (40) single family homes are proposed for this site and currently cannot be accessed, a modification to the Non-Vehicular Access Line (NVAL) is needed. To allow future residents to enter and exit the subject site, a 125' opening is proposed starting at STA 846+48.66 on the south side of Hiatus Road running north ending at STA 847+73.66. Turning movements would include utilization of an existing lefthand southbound turn lane on the north side of Hiatus Road into the property. In addition, future residents would be able to exit the property by making either a southbound lefthand turn crossing Hiatus Road, or making a right-hand turn headed northbound onto Hiatus Road.
