RE: Delegation Request Lauderhill Shoppes No. Three Plat

Dear Ms. Sesodia,

GJ Lauderhill, LLC ("Petitioner") is the proposed developer of two (2) properties with a total area of +/- 4.7-acres located at North State Road 7/U.S. 441 and identified by folio numbers 494125320030 and 494125320010, which are generally located on the west side of North State Road 7/U.S. 441 between NW 19th Street and NW 21st Street ("Property") in the City of Lauderhill ("City"). The Property is zoned General Commercial (CG), is located in the Transit Oriented Corridor (TOC) and is currently vacant. Petitioner is proposing to redevelop the Property with a mixed-use development which will include 245 residential units and +/- 9,230 square feet of commercial use (the "Project"). Both parcels are identified as a portion of Tract "A" on the Lauderhill Shoppes No. Three plat ("Plat") as recorded in Plat Book 82, Page 3 of the Public Records of Broward County, Florida (copy attached). The Plat was recorded in 1974 and depicts a 70-foot building setback line on the east side of the Plat along State Road 7/U.S. 441. In accordance with the proposed site plan for the Property, Petitioner is seeking to remove the 70-foot building setback line from the face of the Plat as it hampers development of the Property.

The development of the Property will improve the area and bring a needed use to the community. Removal of the setback line from the Plat will allow for a consistent pattern of development (in terms of building setback) along the corridor. Considering the foregoing, Petitioner respectfully requests approval of the delegation request to remove the building setback line from the referenced Plat.

Thank you in advance for your consideration of this request. Please contact the undersigned should you have any questions.

Sincerely,
Dunay, Miskel & Backman, LLP

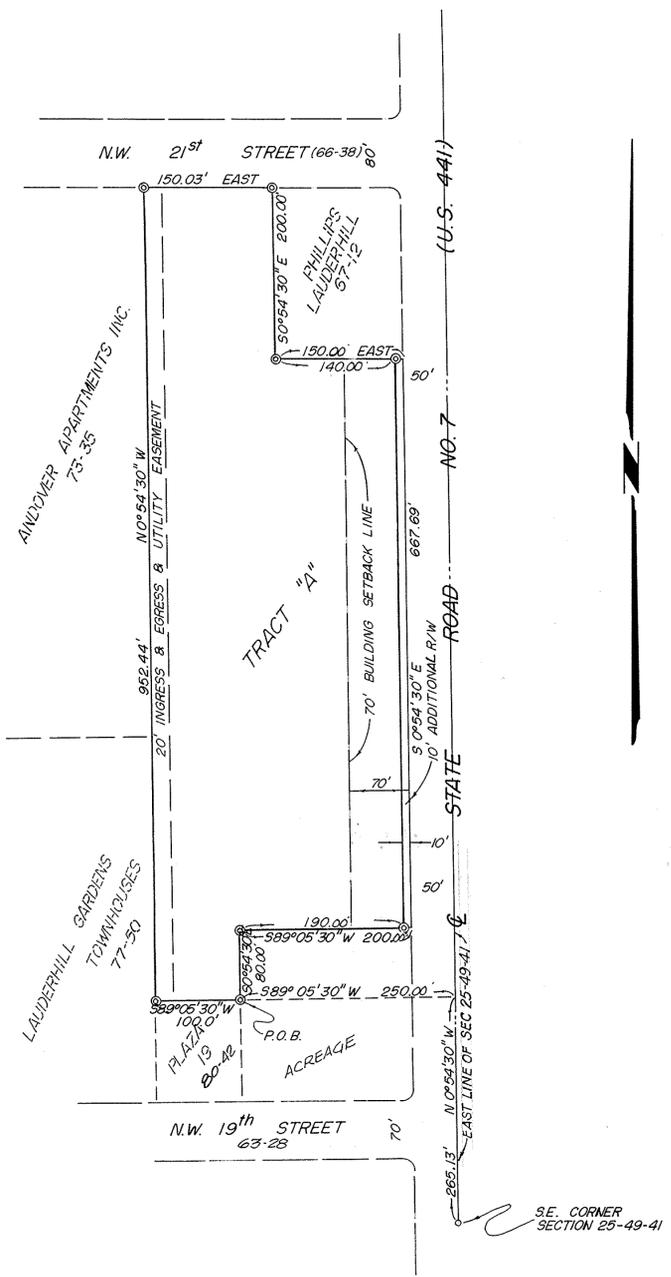

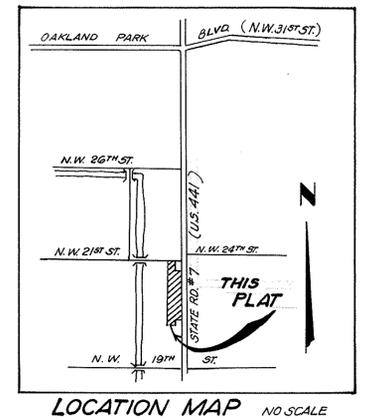

Hope Calhoun, Esq.
