

**AFFILIATION AGREEMENT BETWEEN BROWARD COUNTY  
AND UNIVERSITY FOR STUDENT INTERNS**

This Affiliation Agreement Between Broward County and University for Student Interns (“Agreement”) is made and entered by and between Broward County, a political subdivision of the State of Florida (“Broward County”), and [REDACTED] University, a Florida [REDACTED] (“University”) (University and Broward County collectively referred to as the “Parties”).

**RECITALS**

A. University sponsors graduate and post graduate programs. University, in its educational program for the development of [REDACTED], also has responsibility for the training of students who require clinical experience in [REDACTED] programs.

B. Broward County Human Services Department (“Department”) has opportunities for such clinical experience.

C. University and Broward County desire to develop and maintain cooperative programs for their mutual benefit to enhance and advance the goals and objectives of each Party.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

**Article 1. Statement of Agreement**

1.1. Broward County desires to serve as a site for training of students enrolled in University’s [REDACTED] programs (“Students”) and will accept Students for practical education and training such as clinical experiences (“Program”) in accordance with the terms of this Agreement.

1.2. Broward County and University shall cooperate in the placement of Students in the Program, each sharing responsibility for the final selection of Students for the Program.

**Article 2. Responsibilities of University**

2.1 University shall appoint and designate a University representative with appropriate professional and academic credentials (“University Representative”), who shall be responsible for coordinating the Program for University and acting as the administrative liaison to Broward County.

2.2 University shall provide Broward County with the Program curriculum for Students.

2.3 University shall instruct its Students and faculty, if any, participating in the Program that they are to comply with the appropriate laws, policies, procedures, rules, and regulations, including but not limited to submitting to the following, if required by Broward County: a physical

examination, provision of immunization records, background checks, and other preliminary screening.

2.4 Student participating in the Program shall not be entitled to compensation from Broward County for performance of the duties described in this Agreement or as part of the Program. University and Students participating in the Program agree that participation in the Program is solely on a volunteer basis for educational benefit, without any compensation. Receipt of credit for an educational program shall not be considered compensation. Participation in the Program does not guarantee or secure employment with Broward County upon completion of the Program.

2.5 University shall assign any and all required grades for Students who participate in the Program.

2.6 University shall be responsible for determining the adequacy of the educational experience of students, and will assign to the Program only those students who have satisfactorily completed the required course of studies, both didactic and practical, as specified by the University's curricula.

### **Article 3. Responsibilities of Broward County**

3.1 Broward County shall designate a staff member with appropriate professional and academic credentials to serve as liaison of the Program ("Program Representative"). The Program Representative shall also serve as the Contract Administrator for Broward County, and shall be responsible for cooperating with University and its designated University Representative regarding the Program. In the administration of this Agreement, as contrasted with matters of policy, all Parties may rely on the instructions or determinations made by the Contract Administrator designated by Broward County; provided, however, that such instructions and determinations do not change the scope or terms of this Agreement.

3.2 The Program Representative and other Broward County staff involved in the Program shall be employees of Broward County. Broward County shall supervise Students while engaged in Program activities at its facilities. Broward County shall maintain responsibility for all services provided at its facilities.

3.3 Broward County shall allow representatives of University and its accrediting bodies to visit Broward County office(s) and observe the operation of the Program at mutually agreed times.

3.4 The Broward County staff who serve as teaching faculty shall provide direct instruction and supervision of Students participating in the Program, as well as provide periodic evaluation of each Student's progress on forms provided by University, under the coordination of the Program Representative.

3.5 Broward County shall provide Students participating in the Program with information regarding the required adherence to applicable laws, regulations, policies, procedures, and rules, including 42 C.F.R. Part 2, as applicable.

3.6 Broward County may require that University remove from the Program any Student who does not follow the applicable laws, policies, procedures, rules, regulations, or requirements. Further, in such event Broward County may immediately, without prior written or verbal notice to University, require that the Student leave Broward County's premises, and Broward County will subsequently notify University in writing of such action and the reasons therefor.

3.7 Broward County shall inform Students participating in the Program of any requirements for background screening, drug testing, health screenings, or other requirements. Broward County will either assist Students in obtaining these requirements or inform Students where any required screenings or testing may be obtained, and will monitor Students' compliance with such requirements.

3.8 Each Student must execute the Release and Waiver of Liability (attached hereto as Exhibit A) prior to participating in the Program. Broward County shall maintain records of the executed documents.

3.9 Students participating in the Program are not employees of Broward County and are not entitled to financial remuneration for participation in the Program. Broward County is not responsible to ensure that any Student obtains academic or other credit for participation in the Program, but Broward County will provide reasonable cooperation to assist Students in applying for any such available credit.

#### **Article 4. Public Records; Student Education Records**

The Parties stipulate that Broward County is subject to the public records requirements of Chapter 119, Florida Statutes. Compliance, or attempt(s) to comply, with the Florida public records obligations shall not be a violation of this Agreement.

The Parties acknowledge that many student education records are protected by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. §§ 1232(g), 1232(h), and 1232(i), by federal regulations issued pursuant to such act, and by state law in Section 1002.22, Florida Statutes, and that generally written student consent must be obtained before releasing personally identifiable student education records to anyone other than University. University agrees to provide guidance to Broward County with respect to complying with the provisions of FERPA and similar federal or state law. Broward County agrees to treat all student education records that are specifically identified as such by the Parties as confidential and not to disclose such student education records except to University and the Broward County officials who need the information to fulfill their professional responsibilities, or as required or permitted by law. The Parties acknowledge the mention or reference to a Student participating in the Program in a record or report generated and/or maintained by Broward County in the normal course and

scope of its operations, and not created or maintained by University, is not considered a “student education record” for purposes of this Agreement.

#### **Article 5. Indemnification**

##### **[USE IF PRIVATE UNIVERSITY]**

University shall indemnify, hold harmless, and defend Broward County and all of Broward County’s current, past, and future officers, agents, and employees (collectively, “Indemnified Party”) from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys’ fees, court costs, and expenses, including through the conclusion of any appellate proceedings, raised or asserted by any person or entity not a party to this Agreement, and caused or alleged to be caused, in whole or in part, by any intentional, reckless, or negligent act or omission of University, its officers, employees, agents, or servants, arising from, relating to, or in connection with this Agreement (collectively, a “Claim”). In the event any Claim is brought against an Indemnified Party, University shall, upon written notice from Broward County, defend each Indemnified Party against each such Claim by counsel satisfactory to Broward County or, at Broward County’s option, pay for an attorney selected by the County Attorney to defend the Indemnified Party. The obligations of this section shall survive the expiration or earlier termination of this Agreement.

##### **[USE IF PUBLIC UNIVERSITY]**

The Parties to this Agreement are governmental entities per the provisions of Section 768.28, Florida Statutes, and thus, each Party agrees to be liable for its own acts of negligence or omissions, subject to the limitations set forth in Section 768.28, Florida Statutes. Nothing herein shall be construed as consent by either Party to be sued by third parties in any matter relating to this Agreement. Nothing herein is intended to serve as a waiver of sovereign immunity of any rights or limits to liability under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement.

#### **Article 6. Insurance**

6.1. University Insurance. Throughout the duration of this Agreement, University shall, at its own expense, maintain professional liability insurance in amounts not less than \$1,000,000 per occurrence or claim and \$3,000,000 in the aggregate and general liability insurance in amounts not less than \$1,000,000 per occurrence or claim and \$2,000,000 in the aggregate.

6.2. University shall, at a minimum, provide, pay for, and maintain in force at all times during the term of this Agreement (unless otherwise provided) the minimum insurance coverage or valid self-insurance in accordance with the terms and conditions required by this Agreement. University shall maintain insurance coverage or valid self-insurance against claims relating to any act or omission in connection with this Agreement by University, including its agents, representatives, employees, and subcontractors.

6.3. Within seven (7) days after the execution of this Agreement and upon request, University shall provide to Broward County a copy of all Certificates of Insurance or other written

documentation sufficient to demonstrate insurance for the coverage types and limits required in this Agreement.

6.4. University shall ensure that all insurance coverages required by this Agreement remain in full force and effect for the duration of this Agreement and shall ensure that there is no lapse of coverage. University shall provide notice to Broward County of any cancellation or modification of any insurance policy or self-insurance coverage required by this Agreement at least thirty (30) days prior to the effective date of cancellation or modification, and at least ten (10) days prior to the effective date of cancellation if due to nonpayment and shall concurrently provide Broward County with updated Certificates of Insurance or other documentation evidencing continuation of the required coverages.

6.5. For insurance policies maintained by University for coverages required in this Agreement, University shall endorse "Broward County," 115 South Andrews Avenue, Fort Lauderdale, Florida 33301, as an additional insured and Certificate Holder on Certificates of Insurance. University shall ensure that all such insurance policies are issued by insurers: (1) assigned an A. M. Best Rating of at least "A-" with a Financial Size Category of at least Class VII; (2) authorized to transact insurance in the State of Florida, or (3) a qualified eligible surplus lines insurer pursuant to Florida Statutes Sections 626.915 or 626.918 approved by Broward County, unless otherwise accepted by Broward County.

6.6. University waives any right to subrogation that any of its insurers may acquire against Broward County, and agrees to obtain same in an endorsement of its insurance policies for coverages required in this Agreement.

6.7. If University maintains broader coverage or higher limits than the minimum insurance required, Broward County shall be entitled to such coverage. All required insurance coverages under this Agreement shall provide primary coverage and shall not require contribution from any Broward County insurance, self-insurance or otherwise. University shall be solely responsible for the payment of any deductible or self-insured retention.

6.8. Student Insurance. Each Student while participating in the Program at Broward County is required to obtain and maintain professional liability insurance coverage, at the Student's own expense, in the amounts of not less than \$1,000,000 per occurrence or claim and \$3,000,000 in the aggregate. Each Student must provide proof of such insurance to University and Broward County prior to starting in the Program.

6.9. Broward County's Insurance. Broward County is a self-insured political subdivision of the State of Florida, in accordance with Florida Statutes, Section 768.28. Broward County shall provide to University a letter of self-insurance as verification of its self-insurance program upon request.

6.10. Broward County reserves the right to periodically review insurance policies and to reasonably adjust the limits and/or types of coverage required herein.

## **Article 7. Term and Termination**

7.1 Term. This Agreement shall begin on the date it is executed by the last of the Parties to execute this Agreement, and shall continue for a period of five (5) years from that date, unless earlier terminated in accordance with the terms of this Agreement.

7.2. Termination. This Agreement may be terminated as follows:

7.2.1 For convenience at any time by either Party providing at least thirty (30) days prior written notice of termination to the other Party as provided for in the Notices section below. Upon any such termination for convenience, Students then in the Program shall be allowed to complete the Program, unless otherwise agreed by the Parties;

7.2.2 Upon the mutual agreement, in writing, of Broward County and University;

7.2.3 By the nondefaulting Party upon default by the other Party of any material term, covenant, or condition of this Agreement, where such default continues for a period of twenty (20) days after the defaulting Party received written notice of the default in the manner provided for in the Notices section from the other Party specifying the existence of such default; or

7.2.4 By the Broward County Administrator, in the event the Broward County Administrator determines that termination is necessary to protect the public health, safety, or welfare.

## **Article 8. Nondiscrimination**

No Party to this Agreement may discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this Agreement.

## **Article 9. Miscellaneous**

9.1 Independent Contractor. University and Broward County are independent contractors with respect to this Agreement. Nothing in this Agreement shall constitute or create a partnership, joint venture, or other relationship, express or implied, including without limitation an employer-employee or principal-agent relationship between Broward County and University or between Broward County and any Student. Neither Party shall have the right to bind the other to any obligation not expressly undertaken under this Agreement.

9.2 Sovereign Immunity. Except to the extent sovereign immunity may be deemed waived by entering into this Agreement, nothing herein is intended to serve as a waiver of sovereign immunity by Broward County nor shall anything included herein be construed as consent by Broward County to be sued by third parties in any matter arising out of this Agreement. Broward

County is a political subdivision as defined in Section 768.28, Florida Statutes, and shall be responsible for the negligent or wrongful acts or omissions of its employees subject to the limitations set forth in Section 768.28, Florida Statutes.

9.3 Advertising. No Party shall use the name, logo, or likeness of the other in any advertising or promotional material without the prior written consent of the other Party.

9.4 Prior Agreements. This Agreement represents the final and complete understanding of the Parties regarding the subject matter and supersedes all prior and contemporaneous negotiations and discussions regarding same. All commitments, agreements, and understandings of the Parties concerning the subject matter of this Agreement are contained herein.

9.5 Amendments. No modification, amendment, or alteration of any portion of this Agreement shall be effective unless contained in a written document executed with the same or similar formality as this Agreement and by duly authorized representatives of Broward County and University.

9.6 Assignment. Neither this Agreement nor any right or interest in it may be assigned, transferred, subcontracted, or encumbered by either Party without the prior consent of the other Party. Any assignment, transfer, encumbrance, or subcontract in violation of this section shall be void and ineffective.

9.9 Materiality and Waiver of Breach. Each requirement, duty, and obligation set forth in this Agreement was bargained for at arm's-length and is agreed to by the Parties. Each requirement, duty, and obligation set forth in this Agreement is substantial and important to the formation of this Agreement, and each is, therefore, a material term. 9.13 Representation of Authority. Each Party represents and warrants that this Agreement constitutes the legal, valid, binding, and enforceable obligation of the Parties, and that neither the execution nor performance of this Agreement constitutes a breach of any agreement the Party has with any third party or violates any law, rule, regulation, or duty arising in law or equity applicable to that Party. Each Party further represents and warrants that execution of this Agreement is within its legal powers, and each individual executing this Agreement on behalf of that Party is duly authorized by all necessary and appropriate action to do so on behalf of said Party and does so with full legal authority.
