CARES Act/Coronavirus Funds

CDBG-CV1, CDBG-CV2, CDBG-CV3, and ESG-CV2 funds were previously allocated to Rental Assistance/Meals, and Homeless Prevention Projects/Activities per Agenda Item No. 20, on the June 2, 2020, Board of County Commissioners (BOCC) meeting, and Agenda Item No. 30, on the June 1, 2021, BOCC meeting. Since that time, the County has received over \$85,945,843 in funding from federal emergency rental assistance programs through the Consolidated Appropriations Act and the

American Rescue Plan Act. These larger federal assistance funds are less stringent and provide longer assistance periods than the CDBG-CV and ESG-CV funds. Both the CDBG-CV funds and the ESG-CV funds have upcoming deadlines (50% of the ESG-CV funds by September 15, 2022, and 80% of the CDBG-CV funds by September 2023).

There was a subsequent Item, Agenda Item No. 16, on the May 10, 2022, BOCC meeting reallocating a maximum of \$2.5 million of ESG-CV32 funds to Henderson Mental Health for single-family/multi-family acquisition and/or acquisition and rehabilitation activity for temporary emergency shelter services, as permitted by the CARES Act. Due to the stringent time constraints and the housing/real-estate market, Henderson will not be able to utilize the funding by the HUD imposed deadlines (June, 2022 and September, 2022). The HFD is proposing to reallocate the necessary amount to meet the expenditure timeline to Costs (or previously incurred costs) preparing for, or as a result of Coronavirus (Essential Services, and/or Eligible Shelter Operations and HMIS Eligible activities). The HFD will conduct additional outreach to the Continuum of Care/Emergency Shelter recipient organizations, and other non-profit organizations, as necessary.

The HFD is requesting the reallocation of these funds to the recommended Projects/Activities detailed in Exhibit 1.

Motion B

This motion allows the County to recognize unanticipated/program income (PI) grant funds, and County Administrator to take all necessary Administrative and Budgetary Actions. The grant funds being recognized are detailed in Exhibit 1.

Unanticipated Revenue/Program Income (PI)

HOME Grant Unanticipated Revenue/Program Income (PI) is being recognized in the amount of \$718,846, of which a maximum of 10% may be administrative funds, for the recommendations as detailed in Exhibit 1.
