The AFSCME represents a bargaining unit of approximately 64 maintenance employees in the Port. The previous Collective Bargaining Agreement (Agreement) provided for a Wage re-opener for Fiscal Year 2019/2020 and this unit's agreement expired on September 30, 2020. Exhibit 1 is an Addendum to the previous Collective Bargaining Agreement resolving the Wage re-opener for Fiscal Year 2019/2020. Exhibit 3 is a proposed successor one-year Collective Bargaining Agreement for Fiscal Year 2020/2021.

Exhibits 2 and 4 summarize the changes to the Agreement (Exhibit 3). In addition, there are a variety of administrative and operational changes regarding procedures for standby, clarification of annual leave usage, clarification of the Holidays article provisions, Family Illness Leave utilization timeframe, and a Letter of Understanding securing the Union's cooperation in the implementation of the Enterprise Resource Project (ERP) and Human Capital Module (HCM), the proposed Agreement provides for the following compensation related changes:

For Fiscal Year 2019/2020, the proposed Addendum provides for a one-step base salary increase (2%) (within the salary range) for current employees.

For Fiscal Year 2020/2021, the proposed successor one-year Agreement provides for a base salary increase (3%) (within the salary range) for current employees.

These salary increases are consistent with the salary increases provided to other bargaining units and unrepresented employees.

Both the proposed Addendum and successor one-year Agreement were successfully ratified by the Union on April 5, 2021. Accordingly, the proposed Addendum and successor one-year Agreement are being presented with staff's recommendation for approval by the Board.
