Summary Explanation/Background

THE ENVIRONMENTAL PROTECTION AND GROWTH MANAGEMENT DEPARTMENT AND THE HOUSING FINANCE AND COMMUNITY REDEVELOPMENT DIVISION RECOMMEND APPROVAL OF THE ABOVE MOTIONS.

This item supports the Board's value: Offering sustainable, compatible, innovative housing options for all income-levels, including integrated, permanent supportive housing, and the corresponding goal of increasing the availability of affordable housing of all types, countywide in every community using effective, uniform criteria, policies, and strategies.

Motion A.

This motion allows the County to make the necessary changes to the Five Year Strategic Consolidated Plans and associated Annual Action Plans, make necessary regulatory, project eligibility and programmatic changes, and subsequent budgetary and administrative actions detailed in Exhibit 1.

CDBG

Town of Pembroke Park

Due to the High costs of construction and materials, the Town needs to reallocate Fiscal Year 2020/2021 funds previously allocated to a Park Preserve Lighting Project to the Fiscal Year 2019/2020 Park ADA Restroom/s Project. The combined funds will allow the Town to complete the Fiscal Year 2019/2020 Park ADA Restroom Project already underway. The Fiscal Year 2020/2021 Project will be undertaken with Fiscal Year 2021/2022 CDBG allocation.

Habitat for Humanity

Pursuant to a Request for Proposals issued by HFCRD, Habitat for Humanity (Habitat) was awarded a contract for the administration of \$650,00 (\$500,000 in BC service areas, \$40,000 in the City of

Margate, \$60,000 in the City of Weston, and \$50,000 for water/sewer connections) in CDBG funds, providing services to assist in the implementation of County’s Housing Rehabilitation Program and Water/Sewer Connections. The item was approved by the Broward County Board of County Commissioners (BOCC) on January 28, 2020 (Agenda Item No. 41). Since then, the cost of construction and materials has increased by up to thirty (30) percent. HFCRD desires to make the necessary programmatic changes to the Housing Rehabilitation Program and the Water/Sewer Connection Program:

1. The current agreement provides for maximum assistance to homeowners of \$40,000 for Housing Rehabilitation; however, it is inclusive of the direct activity program delivery costs, including title, property inspection, and the flat fee payable to Habitat per household. HFCRD proposes that \$40,000 per household in housing rehabilitation assistance be allowable per household, exclusive of direct program/delivery costs due to third parties and Habitat.
2. This motion will also allow the increase of up to \$19,000 in funding per household for the Water/Sewer Connection program, if there are special/extraordinary field conditions. The current bids for construction for water/sewer connection are coming in between \$15,000 to \$19,000 and the current agreement estimated the costs at approximately \$5,500.

These necessary changes, due to the high cost of construction labor and materials, will ultimately reduce the number of beneficiaries that can be assisted. The changes will not increase the direct activity delivery cost payable to Habitat, nor will it increase the \$650,000 BOCC-approved total CDBG amount to be implemented by Habitat.

Lastly, the HFCRD will also make some budget/allocation distribution line-item changes, to make accommodations for the constant increase/decrease of demand in certain jurisdictional areas. This motion will authorize the County Administrator to amend the current agreement with Habitat and make any necessary budget/allocation distribution line item and programmatic changes while the agreement is effective, to continue to carry out the much-needed program in an expeditious manner.

Current Line-item distribution	Proposed Line-Item Distribution
\$500,000 - BC Service Areas	\$240,262
\$40,000 - City of Margate	\$103,738
\$60,000 - City of Weston	\$256,000
\$50,000 - Water Sewer Connection/BC Areas	\$50,000
\$650,000 - Total	\$650,000 - Total

CDBG Remaining Balances Reallocated to BC HFCRD Countywide Housing Projects

The following Cities have remaining balances form Fiscal Years 2018/2019 through 2019/2020: City of West Park, City of Lauderdale Lakes. These projects have been completed and the funds will be reallocated to Broward County Countywide Housing Projects/Activities and/or other City Projects as detailed on Exhibit 1.

CARES Act - CDBG-CV1 and CDBG-CV3 Requested Changes/Administered and Implemented by Broward County

The following Cities have requested the changes detailed in Exhibit 1: City of Coconut Creek, City of

Margate. The HFCDR implements these projects/activities for the Cities, therefore, these changes will be made in form of agreements/amendments to their existing agreements.

HOME Requested Changes/for municipalities administered by Broward County's HFCDR.

The following Cities have requested the changes detailed on Exhibit 1 and have requested that Broward County's Housing Finance and Community Redevelopment Division (HFCDR) Implement these Projects/Activities: City of Coral Springs, City of Sunrise. The HFCDR will receive direct project service delivery for the Implementation of the proposed Projects/Activities on Exhibit 1.

ESG Unspent Remaining Balances Reallocated to BC HFCDR/FSS Countywide Emergency Solutions Grant/Rapid-Rehousing/Homeless Prevention

The following Non-profit has remaining balances form Fiscal Years 2019/2020 through 2020/2021: Broward Partnership for the Homeless. These projects have been completed and the funds will be reallocated to Broward County for Countywide Projects/Activities as detailed on Exhibit 1.

Motions B and C.

These motions allow the County to recognize unanticipated grant funds, and County Administrator to take all necessary Administrative and Budgetary Actions. The grant funds being recognized are detailed in Exhibit 1.

Unanticipated Revenue/Program Income (PI)

Unanticipated Revenue/Program Income (PI) is being recognized for the following grant programs: CDBG, HOME, NSP1, NSP3

Anticipated Revenue/Program Income (PI) for municipalities administered by Broward County's HFCDR's.

The following Cities have requested that the Fiscal Year 2020/2021 Annual Action Plan (AAP) projected anticipated revenue be available as Program Income (PI): City of Coconut Creek, City of Margate, City of Weston - CDBG Grant. These changes are detailed on Exhibit 1. The HFCDR implements these projects/activities for the Cities, therefore, these changes will be made in form of agreements/amendments to their existing agreements.

Motion D.

NSP1 and NSP3 Changes and Reallocations

This motion allows the County to make the necessary NSP, NSP1, and NSP 3 changes to the corresponding Five Year Strategic Consolidated Plans and associated Annual Action Plans, make necessary regulatory, project eligibility and programmatic changes, and subsequent budgetary and administrative actions detailed in Exhibit 1.

Between Fiscal Year's 2008/2009 through 2011/2012, through the Economic Recovery Act of 2008, (HERA) the U.S. Department of Housing and Urban Development (HUD) approved a Grant Agreement awarding \$17,767,589 in NSP1 funds and subsequently \$5,457,533 in NSP3 funds. All funds were expended, except for \$253,161 in NSP1 funds and \$103,641 in NSP3 funds, which were subrecipient remaining balances. HUD is requesting that grantees expend the remaining entitlement balances, so that the NSP Grant can be closed-out. HUD has also provided new regulatory and programmatic guidance, given that the housing market has drastically changed from the 2008 economic housing crisis. There are no longer foreclosure/distressed census tracts/block groups, therefore HUD has provided guidance as to how those balances and any NSP PI funds can be

allocated and expended. The HFCRD is requesting that these funds, along with the previously BOCC recognized NSP1 and NSP3 unanticipated revenue (December 4, 2018, AI #27697), and the NSP1 and NSP3 PI being recognized in Motion B of this Agenda, for a total of \$1,340,232, be reallocated to the proposed Projects/Activities detailed in Exhibit 1.
