Summary Explanation/Background

THE PORT EVERGLADES DEPARTMENT RECOMMENDS APPROVAL.

This action supports the Broward County Board of County Commissioners' ("Board") Value of "Ensuring economic opportunities for Broward's diverse population and businesses" and the Goal to "Increase the economic strength and impact of revenue-generating County enterprises balancing economic, environmental, and community needs."

Tethys Supply and Marketing, LLC ("Tethys"), has been providing vessel bunkering services at Port Everglades under an approved franchise agreement since 2018. On May 21, 2019 (Item No. 44), the Board granted renewal of a nonexclusive franchise to Tethys to provide vessel bunkering services at Port Everglades for a five-year term, from June 5, 2019, through June 4, 2024. On January 20, 2021 (see Exhibit 4), Tethys sent a letter to staff informing them of the transfer of the vessel bunkering

operation to Proteus Supply and Trading, LLC ("Proteus"), and requesting the assignment of the franchise to Proteus for the remainder of the five-year franchise term ending June 4, 2024. Proteus has submitted an application for a nonexclusive franchise to provide vessel bunkering service at Port Everglades. Proteus, a Delaware limited liability company, registered to conduct business in the state of Florida on October 13, 2020.

Staff has reviewed the vessel bunkering service franchise application against the enumerated criteria set forth in Chapter 32 of the Broward County Administrative Code. Staff's due diligence included corresponding with Proteus' representative to clarify franchise requirements and reviewing Proteus' corporate status, resumes of executive staff and list of managerial personnel, business history/experience, litigation history, insurance, financial documents and creditworthiness, required licenses and certificates, company programs and policies, list of equipment to be used at Port Everglades, and ability to promote and develop growth in the business activities, projects, or facilities of Port Everglades. Proteus' safety and environmental history was also reviewed, and no infractions were found. No false or misleading information was submitted as part of the franchise application. Proteus has, through the submission of the signed franchise application, agreed to comply with all franchise conditions set forth in Section 32.24 of the Broward County Administrative Code.

Based on the review of information provided in the franchise application, staff has determined that Proteus meets the criteria for a vessel bunkering service franchise, and that the proposed assignment of the Tethys franchise is in accordance with past practice. Accordingly, staff is recommending that the franchise be assigned to Proteus for the remainder of the five-year franchise term ending June 4, 2024. The complete application and supporting documents are on file in the Port Everglades Business Administration Division.
