Summary Explanation/Background

THE RESILIENT ENVIRONMENT DEPARTMENT AND THE URBAN PLANNING DIVISION RECOMMEND APPROVAL OF THE ABOVE MOTION, subject to staff recommendations and

conditions.

This plat is located on 4.2 acres south of Hammondville Road, north of Northwest 9 Street and west of Northwest 18 Avenue, in the City of Pompano Beach. The applicant is requesting to eliminate the existing access point on Hammondville Road and to obtain a new access shared with the adjacent property. The owners of Renteria Inc. Plat (Plat Book 166 Page 33) are submitting a NVAL opening immediately adjacent which will provide access to both plats via a roundabout. This proposed NVAL request together with the Renteria Inc Plat NVAL request will consolidate separate access points on the two plats to one central location.

The Development Review Report is attached as Exhibit 1.
