#### Previous Action Taken

At its meeting on February 22, 2022 (Item No. 23), the Board approved \$3,000,000 in gap financing for HTG Madison Park, LTD or its affiliate (Madison Park Senior Housing).

### **Summary Explanation/Background**

THE RESILIENT ENVIRONMENT DEPARTMENT AND THE HOUSING FINANCE DIVISION RECOMMEND APPROVAL OF THE ABOVE MOTION.

This item supports the Board's Value of "offering sustainable, compatible, innovative housing options for all income-levels, including integrated permanent supportive housing" and the corresponding goal to; "increase the availability of affordable housing of all types, countywide, in every community using effective, uniform criteria, policies and strategies".

HTG University Station I, LLC (Applicant) is requesting the reallocation of \$3,000,000 in funding from a project previously awarded by the Board on February 22, 2022 (HTG Madison Park, Senior Housing Project, 103 units), to HTG University Station I or its affiliate, for a planned 216-unit multifamily affordable housing development located at 421 North 21<sup>st</sup> Avenue, in the City of Hollywood. The previous project, HTG Madison Park Senior Housing (also located in the City of Hollywood), was unable to secure financing from Florida Housing Finance Corporation for the project.

The University Station I project was awarded funding from various sources in 2020 (FHFC for State Bonds, 4% Low Income Housing Tax Credits (LIHTC), State Apartment Incentive Loan (SAIL)/Extremely Low Income (ELI) loans, National Housing Trust Fund (NHTF), and City of Hollywood parking funds); however, rising construction costs since that time have resulted in an approximate \$7.3 million funding gap. The reallocation of funds is awarded in the form of a 0.0% interest loan that matures in 30 years. The FHFC has agreed to provide an additional \$4.3 million in funding to close the remaining gap. It should be mentioned that the Applicant agrees to provide a 50-year affordability period. The project is subject to a 75-year ground lease with the City of Hollywood at a discounted capitalized lease payment.
