Summary Explanation/Background

Women in Distress of Broward County is a 501(C)(3) nonprofit organization and is Broward County's only nationally accredited, state-certified domestic violence center that provide services and programs, at no cost, to families in need.

District 7's office has remaining Fiscal Year 2022 budgeted funds that it would like to use to support the organization listed in the motion statement above. This organization needs financial assistance to continue to carry out those efforts and it is District 7's goal to further their respective mission through this proposed agreement.

Action is needed at this meeting since this is the final regular meeting of the Fiscal Year 2022 budget year and the item addresses a Fiscal Year 2022 budget allocation, and that the item is being submitted as a supplemental item because the Commission Office was awaiting further information related to the entity being addressed.
