Summary Explanation/Background

THE RESILIENT ENVIRONMENT DEPARTMENT RECOMMENDS APPROVAL OF THE ABOVE MOTION.

This item supports the Board's Value of "Encouraging investment in renewable energy, sustainable practices and environmental protection" and Goal 2, "Educate the public about the fragile South Florida ecosystems, impacts of severe weather, sea level rise, and climate change, with special emphasis on the coral reef ecosystem."

Broward County is hosting the Southeast Florida Regional Climate Change Compact's 14th Annual Regional Climate Leadership Summit on December 8 and 9, 2022, at the Broward County Convention Center in Fort Lauderdale. To publicize and celebrate the Summit, the Resilient Environment Department wishes to hang street banners on utility poles in Fort Lauderdale from approximately November 14 to December 12. The City of Fort Lauderdale requires applicants to sign the Release as part of the street-banner permitting and approval process.

Agreement language is still being finalized and will be provided as additional material.
