Summary Explanation/Background

In 2018 Florida voters approved an amendment to the Florida Constitution ("Amendment 12") that, in relevant part, prohibits local officials, including county commissioners, from lobbying local, state, or federal legislative bodies and administrative agencies on issues of policy, appropriation, or procurement while in office.

On December 6, 2022 (Agenda Item No. 59), the Board enacted certain amendments to the lobbying provisions of the Broward County Code of Ordinances ("Code"), including to address recent state legislation implementing Amendment 12.

On February 28, 2023, the United States District Court for the Southern District of Florida granted a preliminary injunction suspending enforcement of a portion of Amendment 12 pending resolution of the case, *Rene Garcia v. Kerrie J. Stillman*, No. 22-cv-24156 (S.D. Fla.).

In light of the recently issued preliminary injunction, the Office of the County Attorney ("CAO") recommends, as an interim measure, a further Code amendment that would effectively suspend enforcement of certain current lobbying restrictions pending resolution of the federal litigation. The proposed amendment includes a requirement for elected officials to publicly disclose their lobbying activities involving governmental entities within Broward County.

The CAO has coordinated with the County Administrator to ensure that notice of this proposed Ordinance was published ten days prior to this public hearing so that the Board can consider immediate enactment of the proposed Ordinance.
