Compliance Comments:

RS&H Inc. committed to 30% CBE participation and has attained 23.96% CBE participation to date. Payments to CBE subcontractors were verified through an independent payment verification process.

On March 28, 2022, OESBD issued a Notice to Cure (NTC) to RS&H requesting a response as to the circumstances that were leading to this firm's failure to meet its CBE commitment. OESBD also requested a revised Plan of Action (POA) describing how RS&H intends to be in compliance with its commitment.

On April 1, 2022, RS&H, Inc. submitted a Plan of Action (POA) describing the utilization of each CBE firm for each work authorization assigned to RS&H under the contract. Additionally, RS&H stated that it has engaged newly added subs and negotiated new work authorizations with the County, which were included in a CBE Commitment and Utilization summary spreadsheet of the POA.

On April 4, 2022, OESBD reviewed and accepted this firm's response to the notice and informed RS&H that OESBD will continue monitoring its contract for CBE participation compliance.

RS&H, Inc's CBE commitment under this contract remains at 30%.
