**RE: *Central Charter School – Plat Note Amendment
Justification Statement / Letter of Intent***

Dear Mrs. Da Luz,

On behalf of the Owner and Petitioner, please find attached our formal request for the review of a plat note amendment showing the expansion of the existing charter school at 4487 and 4645 North State Road 7, approximately ¼ mile south of the intersection of Commercial Boulevard and State Road 7/441.

PROPERTY HISTORY AND SITE CHARACTERISTICS

The subject property currently supports a charter school, with two outbuildings which will be incorporated into the school functions. Central Charter School was the second charter school to open in Broward County, opening its doors in August 1997 with an initial enrollment of 159 students in grades K-6th. The Mission stated:

"Central Charter School provides an enriched innovative educational program focusing on reading, writing, mathematics, and language arts for at-risk students in the Broward County School District. The curriculum shall emphasize proper manners and behavior in an environment that is positive and safe. It shall further emphasize high expectation for success of all students enrolled. Finally, the curriculum shall provide opportunities to enhance parenting skills for the parents of students enrolled at Central Charter School."

In May of 2013, seventh grade was added, and overall, enrollment once again increased from approximately 800 to approximately 1,200 students. Furthermore, the instructional staff grew to 65 teachers. Today, Central Charter School is a K-8 (Kindergarten through the Eighth Grade) Center. It has become an essential organization in the community, and they continue to be committed to the path of excellence in education, impacting the local and global communities positively. The redevelopment would demolish the existing 36,469 SF single story building to allow the school to expand to 1,500 students (remaining a K-8 school) and to continue to provide the highest educational opportunities for the neighborhood and community.

DELEGATION REQUEST

This project will require a plat note amendment to accommodate the school expansion and preschool/daycare use on site. The existing plat is Oakland Commercial Properties North, recorded in Plat Book 118 Page 30, The latest amendment to the plat notation was recorded by RaceTrac Petroleum (attached) in ORB 51051 997.

The proposed plat note indication will be changed from:

Tract A-1 is restricted to a service station with 24 fueling positions which includes a convenience store and carwash. Tract A-2 is limited to 51,000 square feet of office, 144,900 square feet of retail and 25,600 square feet of warehouse.

To:

144,900 square feet of retail and 25,600 square feet of warehouse. Tract A-3 is limited to a 110,000 SF K-8 Charter school and 15,000 square foot daycare/preschool.

In closing, we appreciate your review and consideration of this request, please feel free to reach out via phone at (561) 484-5257 or via email, liam.sargent@kimley-horn.com , with any questions or concerns.
