VI. SUMMARY DESCRIPTION:

The Broward Sheriff's Office supports this LETF for matching funds for the Port Security Grant Program – Grant Fiscal Year 2020 (Project Period 9/1/2020 – 8/31/23). BSO received a FY19 Port Security Grant Program from the Department of Homeland Security's Federal Management Agency (FEMA) to fund projects including purchase of Radiological-Nuclear Detection and Identification devices. The addition of rad-nuc devices will enhance BSO's comprehensive Preventative Radiological-Nuclear (Rad-Nuc) Detection Program implemented in 2017 so BSO can implement a layered defense to secure against a radiological or nuclear terrorist attack. FEMA requires the grantee provide 25% matching funds from a non-federal source.
