Dear Mr. Meyers:

My name and affiliation with the Greater Fort Lauderdale Chamber of Commerce appear in support of item 77 on the January 25, 2022 County Commission meeting agenda. I want to make clear that I personally support the item and believe that services of the type that would be made available from a healthcare surtax may have saved my father's life. But I also need to clarify that the Greater Fort Lauderdale Chamber of Commerce has not taken a position on the surtax proposal, so my support is strictly in my capacity as a private citizen.

Thank you and contact me should you have any questions or concerns.

Sincerely,
Dan
