RE: **School Board Resolution No. 21-105**

Dear Ms. Sesodia,

Please find attached, Resolution No. 21-105, which was adopted by the School Board on February 17, 2021. The Resolution pertains to the Broward County Public Schools (BCPS) School Impact Fee Waiver (SIFW) program for affordable housing. The Resolution modifies the SIFW program to address the conditions stipulated by the Broward County Commission on October 20, 2020, as outlined below.

As you are aware, on October 20, 2020, the Broward County Commission adopted Ordinance No. 2020-36, and amended the Broward County Land Development Code (BCLDC) to incorporate recommendations from the student generation rate/school impact fee study update. However, the Broward County Commission also included the following conditions with the adoption of the Ordinance:

1. Capped school impact fee increases at 25%
2. Deferred the effectiveness and implementation of the fee increases for one year (will become effective January 1, 2022); and
3. School Board must take formal action to increase the current \$375,000 annual allocation amount for SIFW program and expand the program to include moderate income units prior to increases going into effect.

The following table summarizes the then existing SIFW program parameters and the changes recommended in the Resolution to satisfy the conditions imposed by the Broward County Commission:

No.	Current SIFW Program Parameter	Recommended SIFW Program Parameter
1	Annual Allocation \$375,000	Increase Annual Allocation to \$450,000 (limit \$75,000 of the allocation to be available for moderate income units that are part of a mixed-income development which also includes low and/or very low-income units, and \$375,000 to be available for low and very low-income units)
2	100% waiver of school impact fees for low and very low-income units	100% waiver of school impact fees for very low, low, and moderate income units
3	\$50,000 per project maximum	No change
4	60-day redemption period	No change

Please be advised that the recommended changes will take effect on July 1, 2021, which is the beginning date of BCPS' 2021/2022 fiscal year.

BCPS appreciates the cooperation Broward County staff provided in enabling a Resolution that hopefully satisfies the conditions stipulated by the Broward County Commission. Please contact me via email at chris.akagbosu@browardschools.com or at 754-321-2162 if you have additional questions or concerns regarding this matter.

Sincerely,

Chris O. Akagbosu, Director
