The Petco Foundation

Dear Ms. Kogut,

On behalf of Broward County Animal Care and Adoption Division, I would like to express our sincere gratitude to you, and The Petco Foundation, for the generous donation to our Life Saving programs. As a result, this donation will provide life-saving efforts to the pets under our care in the shelter and in the Community. It is encouraging to know that we have the support of organizations like yours who also care deeply for the pets in our community.

Every day we provide shelter, food, medical care, and enrichment to hundreds of pets. These pets arrive at our shelter lost, abandoned, or surrendered to us by their owners. Many of them require medical care beyond the required yearly vaccinations.

While we continue to celebrate the ongoing success of reducing the number of homeless pets, providing care for the sick and injured, as well as protecting animals against abuse, there is still much to do. Working as a community devoted to collective efforts, we can undoubtedly make our community safer for pets and save lives.

Sincerely,
