Re: Sailboat Bend II

Dear Josie:

On behalf of Sailboat Bend II, Ltd., a Florida limited partnership (the "Owner"), I am writing to request Broward County's consent to subordinate two existing Declarations of Restrictive Covenants: the first is dated July 31, 2019 and recorded August 6, 2019 in the Public Records Office of Broward County (the "Records Office") at Instrument Number 115974883 (the "First DRC") and the second is dated July 31, 2019 and recorded August 6, 2019 in the Records Office at Instrument Number 115974930 (the "Second DRC" and, together with the First DRC, the "DRCs") in connection with the refinancing of the first mortgage loan on the 110-unit property known as Sailboat Bend II Apartments in Broward County, Florida (the "Development").

Background

The Housing Authority of the City of Fort Lauderdale (the "Authority") ground leased the property on which the Development is situated to the Owner for purposes of constructing the Development. A memorandum of ground lease memorializing the ground lease was recorded on November 5, 2019 in the Records Office at Instrument Number 116158096. The Development was primarily funded through the proceeds of low-income housing tax credits plus (i) a conventional first leasehold mortgage loan from Bank of America, N.A. ("BofA"); (ii) a subordinate leasehold mortgage loan from the Housing Authority of the City of Fort Lauderdale; (iii) a subordinate leasehold mortgage loan using SHIP funds from Broward County. The financial closing for the Development occurred on October 31, 2019.

Broward County agreed to waive certain impact fees in connection with the Development in exchange for the Authority's agreement to record the DRCs in favor of Broward County.

Current Situation

The Owner is in the process of refinancing the senior construction loan from BofA using a permanent mortgage loan from JLL Real Estate Capital LLC, which will be assigned to Fannie Mae (collectively, the "New Lender").

To provide the loan to the Owner, the New Lender requires that the Owner sign a Multifamily Loan and Security Agreement (the "New Loan Agreement"). The New Loan Agreement incorporates the terms of the DRCs, as well as the Declaration of Restrictive Covenants recorded by the Owner in favor of Broward County in the Records Office at Instrument Number 117677207 with respect to Broward County's SHIP loan, and expressly requires the Owner to comply with all of the requirements of each.

Ms. Josie Sesodia, AICP, Director March 1, 2022 Page -2-

Owner is seeking Broward County's agreement to subordinate the DRCs to the new senior mortgage loan pursuant to a subordination agreement. As such we are enclosing the following documentation for Broward County's consideration:

- A completed copy of the Broward County Delegation Request form;
- A copy of the plat on which the Development is situated;
- A title commitment for the Development refinancing;
- A copy of the recorded DRCs in favor of Broward County;
- An original subordination agreement for the DRCs in the form that the New Lender requires, executed by the Authority and the Owner, and to be executed by Broward County and recorded at the closing of the refinancing;
- An opinion of title for the property on which the Development is situated;
- Authorizing resolutions of the general partner of the Owner approving the subordination; and
- A draft of the New Loan Agreement that will be signed at the closing of the refinancing.

Please let me know if you have any question or require any additional documentation. Thank you.

Sincerely,

SAILBOAT BEND II, LTD.
