

Summary of Redistricting Proposals

Experience & Qualifications: Below is a summary of the experience and qualifications of the primary individuals at each university who would develop the redistricting plans.

UF	
Dr. McDonald	Consultant for four states' redistricting efforts (both drawing districts and map analysis) (from 1991 to 2011); expert in thirteen federal cases involving redistricting & Voting Rights Act; coprincipal investigator creating DistrictBuilder (open source software for redistricting); numerous articles/symposia/talks/interviews given on redistricting; teaches classes involving voting rights.
Dr. Smith	Review committee for City of Gainesville's districts; expert witness for plaintiffs in <i>Remo v. Scott</i> (which successfully overturned the 2012 Florida legislative districts); two publications on redistricting.
FIU	
Dr. Moreno (coprincipal leading map drawing)	Consultant for the State of Florida in 1992, 2002, and 2012 for the state's redistricting (note: 2012 Florida legislative maps successfully challenged); consultant in various South Florida municipal redistricting efforts; expert in several Voting Rights Act cases; teaches classes involving redistricting and voting rights.
Dr. Ilcheva (coprincipal leading public outreach)	Consultant on various County projects including: 2021 Status of Women report; Broward County Linkage Fee Nexus Study; Broward County Affordable Housing Needs Assessments; and Census outreach efforts in Broward County.
FAU	
Dr. Bourassa	Collectively, the team has performed various county-level studies on district boundaries. From 1983 to 2012, the team has worked as a consultant on numerous Broward municipal redistricting efforts. Dr. Schultz has authored a relevant academic article and has been qualified as an expert. Mr. Stamm addressed the Broward Charter Review Commission when it considered the 2018 Charter Amendment that adopted the Fair Districts Amendment.
Dr. Gammack-Clark	
Dr. Schultz	
Mr. Stamm	

Cost:

University	Total Cost for Redistricting	Cost per Additional Plan (if requested)	Reprecincting (if requested) Quote	Expert Fees (in the Event of Litigation)
UF	\$110,000	\$5,000	\$15,000	\$200.00 / hr
FIU	\$147,653.45	\$20,000	\$30,000	Dr. Moreno: \$90.00 / hr Dr. Ilcheva: \$75.00 / hr Ms. Zyryanova: \$35.00 / hr
FAU	\$150,000	\$10,000	<i>Has been requested; FAU has requested additional parameters so it may provide an accurate quote</i>	\$250.00 / hr

Location:

University	Location where work will be performed.
UF	Work would be predominately performed at the University of Florida campus in Gainesville, Florida. Public outreach will be performed, if possible under public health guidelines which is expected, in Broward County.
FIU	Work would be predominately performed at FIU's campus in Miramar. Public outreach would be in Broward County.
FAU	Work would be predominately performed at FAU's Boca Raton campus. Public outreach will be performed, if possible under public health guidelines which is expected, in Broward County.
