Re: Request for Comments – Historical Resource Review
Plat No. 007-MP-21/Park Place Homes
Broward County property folio(s): 5040-01-01-0290 (11700 NW 8th St., Plantation 33325) and 5040-01-01-0300 (11790 NW 8th St., Plantation 33325)

Howard,

I have had an opportunity to review materials relative to Plat No. 007-MP-21/Park Place Homes; Broward County property folio(s): 5040-01-01-0290 and 5040-01-01-0300. The original review was conducted in March 2021 by the prior Broward County archaeological consultant, Kevin Gidusko. This document replicates the original review to reflect the updated agency names, to indicate that the project is now under the jurisdiction of the Broward County historic preservation ordinance, and to reflect the absence of resources within the subject folios.

A. In my capacity as the County's archaeological consultant, based on the available information including archival documents, maps, the Broward County Land Use Plan and the Florida Master Site File (FMSF), it is my determination that the proposed project will not have an adverse effect on any known historical or archaeological resources or areas of archaeological or paleontological sensitivity.

B. The subject property is located within the jurisdiction of Broward County's historic preservation ordinance (B.C. Ord. 2014-32). Pursuant to B.C. Ord. 2014-32, Section 5-536.5(g), if, "in the event that archaeological materials are uncovered during development activities, such development activities in the immediate vicinity of the discovery shall be discontinued," and the property owner shall notify the County Historic Preservation Officer of the discovery and undertake certain additional actions.

C. If, in the event that unmarked burials are discovered, then, pursuant to Florida State Statutes, Chapter 872.05, "all activity that may disturb the unmarked burial shall cease immediately, and the district medical examiner shall be notified. Such activity shall not resume unless specifically authorized by the district medical examiner or State Archaeologist."
