RE: **Agenda Item #60 for the November 10, 2020 Commission Meeting**

Regarding Agenda Item No. 60: This action is being taken because the County has only a perpetual easement and does not have title on one of the six (6) parcels that were being offered for sale and therefore this parcel is being removed from the requested action.

To make this correction, the following changes need to be made to Item #60:

- On page 1 of 3, under MOTION TO DECLARE, 12,458 square feet needs to be changed to 11,833 square feet
- On page 2 of 3, delete the full paragraph:
 - Parcel 6. The vacant parcel of land is identified by Folio Number 5042-06-02-0270, approximately 625 square feet, and located south of NW 4th Street and east of NW 38th Avenue in Lauderhill. The Broward County Property Appraiser assesses the parcel's value at \$310.
- Delete Exhibit 6
