The Broward Sheriff's Office supports this LETF request for \$326,575 to fund the Broward County Juvenile Firesetter Prevention and Intervention Program. Funding for this program is shared by the Pay Telephone Trust Fund, and the Law Enforcement Trust Fund. Broward County's Juvenile Firesetter Prevention and Intervention programs provide specialized fire safety education for children ages 2-17 and target at-risk children and teens with an interest in or a history of starting fires, initiating bomb threats, creating destructive incendiary devices or pulling fire alarms. By offering fire safety education instruction and community outreach presentations, the program helps reduce incidents of injury, property loss and death. Follow-up surveys and 6 month monitoring process complete the program which has proven highly successful in reducing recidivism.
