Steve,

On a Greater Ft. Lauderdale call you asked for business feed back for the selection of our next County Administrator. I believe from long experience that one should try to hire from within so long as one is lucky enough to have a well-qualified and experience candidate. Fortunately Broward County has such a person in Monica Cepero to replace Bertha Henry as County Administrator. Therefore I hope you will vote to promoted her and forgo a national search. Thank you by the way for your service,

Colin
