Dear Alan,

I cannot say its Accreditation was 'lost', but I can confirm that Young at Art is no longer Accredited by AAM and has not been since December 2019.

Subject: question

Hello Martha

I just heard from one of our Commissioners that the Young At Art Children's Museum lost its American Alliance of Museums (AAM) accreditation in December 2019. Can you please verify this?

Thank you

Alan

The Small Business Administration provided information on recipients of PPP Loans on their website above. There is limited information in the spreadsheets, but this is the line from a very large csv sheet covering PPP Loans larger than \$150k. Unfortunately, there is no easy way to export this one line of data to prove that it is verified by the SBA. However, it can be found in the links below.
