

PROPOSED

ORDINANCE NO. 2020-

1 AN ORDINANCE OF THE BOARD OF COUNTY
2 COMMISSIONERS OF BROWARD COUNTY, FLORIDA,
3 PERTAINING TO THE LAND DEVELOPMENT CODE;
4 AMENDING SECTION 5-182.9 OF THE BROWARD
5 COUNTY CODE OF ORDINANCES ("CODE"), PROVIDING
6 FOR ADEQUACY OF SCHOOL FACILITIES AS PART OF
7 DEVELOPMENT REVIEW; AND PROVIDING FOR
8 SEVERABILITY, INCLUSION IN THE CODE, AND AN
9 EFFECTIVE DATE.

(Sponsored by the Board of County Commissioners)

8 WHEREAS, Section 163.31801, Florida Statutes, the "Florida Impact Fee Act,"
9 recognizes impact fees as an important source of revenue for local governments to use
10 in funding the infrastructure necessitated by new growth;

11 WHEREAS, the Broward County Land Development Code ("Land Development
12 Code") establishes student generation rates and applicable school impact fees to be paid
13 by developers of residential development to provide for the educational needs of the
14 residents of new dwelling units;

15 WHEREAS, the Land Development Code provides for the collection of school
16 impact fees by Broward County, with quarterly remission to the School Board of Broward
17 County ("School Board") for expenditure consistent with the Land Development Code and
18 relevant law;

19 WHEREAS, pursuant to that Third Amended and Restated Interlocal Agreement
20 for Public School Facility Planning, Broward County, Florida (ILA), among Broward
21 County, the School Board, and twenty-seven (27) municipalities within Broward County,
22 the School Board has caused an update of the student generation rates to be conducted;

1 WHEREAS, the Broward County Public School Student Generation Rate and
2 School Impact Fee Study Update prepared by Tindale Oliver and dated July 23, 2019
3 (Update), provides for modified student generation rates and school impact fees;

4 WHEREAS, on August 6, 2019, the School Board adopted Resolution No. 20-03,
5 recommending that Broward County amend the Land Development Code consistent with
6 the student generation rates and school impact fees contained in the Update; and

7 WHEREAS, the Board of County Commissioners of Broward County, Florida,
8 deems it in the best interest of the citizens of Broward County to amend the student
9 generation rates and school impact fees contained within the Land Development Code
10 consistent with the Update,

11
12 BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF
13 BROWARD COUNTY, FLORIDA:

14
15 Section 1. Section 5-182.9 of the Broward County Code of Ordinances is
16 hereby amended to read as follows:

17 **Sec. 5-182.9. Adequacy of school sites and facilities.**

18 (a) Land suitable for residential development pursuant to applicable land
19 development regulations shall be subject to public school concurrency.

- 20 (1) *Public school concurrency.* Pursuant to the Public School Facilities
21 Element of the Broward County Comprehensive Plan (PSFE) and the
22 Third Amended and Restated Interlocal Agreement for Public School
23 Facility Planning (ILA), Broward County shall collaborate with the School
24 Board of Broward County (School Board) and Broward County

1 municipalities to ensure that public school facilities will be available for
2 current and future students.

3 . . .

4 c) *Level of service (LOS) standards.* ~~The following LOS standards shall~~
5 ~~be achieved and maintained within the period covered by the five-~~
6 ~~year schedule of capital improvements contained in the effective~~
7 ~~Five-Year Adopted District Educational Facilities Plan (DEFP)~~ In
8 order to ensure that the capacity of schools is sufficient to support
9 student growth and that a uniform, districtwide LOS is applied for
10 public schools of the same type, the following School Types and LOS
11 are established:

12 1) School Type A is a bounded elementary, middle, or high
13 school that has the equivalent of at least
14 ten percent (10%) of its permanent Florida Inventory of
15 School Houses (FISH) capacity available onsite in
16 relocatable classrooms (relocatables). The LOS for School
17 Type A shall be one hundred percent (100%) of gross
18 capacity, including relocatables.

19 2) School Type B is a bounded elementary, middle, or high
20 school that has less than the equivalent of
21 ten percent (10%) of its permanent FISH capacity available
22 onsite in relocatables. The LOS for School Type B shall be
23 one hundred ten percent (110%) of permanent FISH
24 capacity.

1 The LOS for schools containing magnet programs shall be
2 considered the same as for each pertinent school level (elementary,
3 middle, and high). The LOS standard shall be achieved and
4 maintained within the period covered by the five-year schedule of
5 capital improvements contained in the effective Five-Year Adopted
6 District Educational Facilities Plan (DEFP).

7 . . .

8 (2) In order to provide lands, facilities, or funds to be used to meet the need
9 for school sites and facilities created by residential development, a
10 developer must satisfy one (1) of the following three (3) requirements, or
11 a combination thereof:

12 a) Convey land acceptable to the ~~Broward County~~ School Board of
13 suitable size, dimension, soil type, topography, and general
14 character to meet the need for school sites created by the
15 development, as set forth in paragraphs (4) and (5) of this
16 subsection;

17 b) Provide facilities acceptable to the ~~Broward County~~ School Board
18 to meet the need for school facilities created by the development,
19 as set forth in paragraphs (3) and (4) of this section;

20 c) Deposit in a nonlapsing account, established and maintained by the
21 County, an amount of money as set forth in the fee schedule below,
22 as adjusted and in effect at the time of payment, for each dwelling
23 unit to be constructed within the developed area ~~based on the fee~~
24 ~~schedule in effect at the time of payment.~~ Any money paid to the

14 A separate fund will be created for each service of the planning areas and
15 the fees will be spent within a reasonable period of time from collection
16 within the service planning areas in which they are collected, or within the
17 planning areas adjacent thereto, for the acquisition of school sites or the
18 provision of facilities ~~which~~, as identified in the Broward County School
19 Board's Adopted Five-Year DEFP, as may be amended, that will
20 substantially benefit the residents of the developed area- as follows:

- 21 a) Primarily, the School Board shall utilize the school impact fees to
22 provide needed school facilities including, but not limited to,
23 acquiring new school sites, construction of new schools, classroom
24 additions, addition to core capacities, and acquiring technology

1 necessitated by the growth, at those schools identified in the SCAD
2 Letter issued by the School Board as being impacted by the
3 development proposed by the applicant.

4 b) If site constraints or other issues make it impracticable for the
5 School Board to provide the needed school facilities at the affected
6 schools as delineated in a), as feasible, the School Board will
7 reasonably provide the needed school facilities within the
8 applicable planning area(s) containing the primarily impacted
9 schools, thus relieving overcrowding at the primarily impacted
10 planning area(s).

11 c) If site constraints or other feasibility issues make it impracticable for
12 the School Board to provide the needed school facilities within the
13 primarily impacted planning area(s) containing the primarily
14 impacted schools, then the School Board may provide the
15 additional school facilities within the planning area(s) adjacent to
16 the primarily impacted planning area(s) in a manner that ensures
17 that the impact of the proposed development continues to be
18 reasonably mitigated and connected to, or have a rational nexus
19 with, the expenditure of the collected school impact fees and the
20 benefits accruing to the new residential development.

21 d) The School Board may leverage school impact fees to pay for
22 existing and new debt service or for previously approved projects,
23 provided there is a reasonable connection to, or a rational nexus

10 Section 2. Exhibit A attached hereto, Figure 5A, "Broward County Public
11 Schools Planning Areas," is incorporated herein and made a part of Section 5-182.9 of
12 the Broward County Code of Ordinances.

13 Section 3. Severability.

14 If any portion of this Ordinance is determined by any court to be invalid, the invalid
15 portion will be stricken, and such striking will not affect the validity of the remainder of
16 this Ordinance. If any court determines that this Ordinance, in whole or in part, cannot
17 be legally applied to any individual, group, entity, property, or circumstance, such
18 determination will not affect the applicability of this Ordinance to any other individual,
19 group, entity, property, or circumstance.

20 Section 4. Inclusion in the Broward County Code of Ordinances.

21 It is the intention of the Board of County Commissioners that the provisions of
22 this Ordinance become part of the Broward County Code of Ordinances as of the
23 effective date. The sections of this Ordinance may be renumbered or relettered and the
