NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF BROWARD COUNTY, FLORIDA:

SECTION 1. FINDINGS. The Board of County Commissioners of the County hereby finds, determines and declares that:

(a) Pursuant to Section 218.385, Florida Statutes, as amended, the County hereby approves a negotiated sale of the Series 2022B Bond, based upon the following findings as to the reasons requiring such negotiated sale:

(i) In order to attain the desired interest rate, it is necessary to be able to receive the Loan from the Bank and issue the Series 2022B Bond as security for the Loan when market conditions are most favorable. The utilization of a competitive sale by public bidding is not in the best interest of the County and the users of the Water and Sewer Utility due to the volatility of the municipal bond market and the need to issue the Series 2022B Bond quickly when market conditions are favorable; and

(ii) For the foregoing reasons, it is found and determined that it is necessary and desirable and in the best financial interests of the County to issue the Series 2022B Bond in a negotiated sale and to authorize the County Administrator (or in her absence, her designee) to accept a proposal from the Bank (the "Proposal") as provided in Section 5 hereof.

(b) The County will apply the proceeds of the Loan, together with other legally available funds, if any, to: (i) refund the Refunded Bonds and (ii) pay the costs of issuance of the Series 2022B Bond; and

(c) The Series 2022B Bond shall not be deemed to constitute an indebtedness of the County within the meaning of any constitutional or statutory provision or limitation and the County is not obligated to pay the principal of, the premium, if any, or the interest on the Series 2022B Bond except from Net Revenues and, to the extent allowed by State law, Impact Fees; and the full faith and credit of the County are not pledged to the payment of the principal of, the premium, if any, or the interest on the Series 2022B Bond. The issuance of the Series 2022B Bond shall not directly, indirectly or contingently obligate the County to levy or to pledge any taxes whatsoever therefor or to make any appropriation for the payment of the principal of, the premium, if any, or the interest on the Series 2022B Bond except as provided in this 2022B Bond Series Resolution; and

(d) Entering into the Loan and the issuing of the Series 2022B Bond and the use of the proceeds thereof, as herein provided, serve a proper public purpose; and

(e) For the foregoing reasons and as required by the Resolution, the County does hereby find and determine that it is desirable and in the best financial interests of the County and the users of the Water and Sewer Utility to enter into the Loan with the Bank and to issue the Series 2022B Bond on a negotiated basis under the terms of this 2022B Bond Series Resolution.

The County Administrator shall determine any amounts in the funds and accounts established by the Resolution which shall be utilized to pay the Refunded Bonds.

In connection with the issuance of the Series 2022B Bond, the Board hereby authorizes and directs the County Administrator, with the advice of the Chief Financial Officer, the Financial Advisor and Bond Counsel to: (i) determine the portions of the Series 2012A Bonds and the Series 2012B Bonds which shall constitute Refunded Bonds, and dates for redemption of the Refunded Bonds, (ii) give or cause to be given any and all such calls and notices related to such redemptions and defeasance as required by the Resolution, and (iii) determine who shall serve as verification agent for the Refunded Bonds, to the extent Bond Counsel deems a verification report is needed to refund the Refunded Bonds.

Description of Broward County and the System

(Sources: Broward County 2021 ACFR and Water and Sewer Utility Revenue Bonds, Series 2022 Official Statement)

Broward County was incorporated in 1915 and is located along the southeastern coast of the State of Florida. With a developable area of 428 square miles and a population of approximately 1.9 million people, the County is one of the largest counties in the country. The County is governed by its amended Charter, originally adopted in 1974, and functions as a home rule government under the Florida Constitution and the general laws of the State.

The Board of County Commissioners (“BOCC”) is the legislative and policy-making body of the County. Each of the nine Commissioners is elected from a separate district. Elections are held every two years for staggered four-year terms. Annually, the BOCC elects a Mayor who serves as its presiding officer. The BOCC appoints the County Administrator to act as the County’s chief executive officer.

The Administrator implements policies of the BOCC, provides organizational leadership, and directs business and administrative procedures. In addition, there are four elected Constitutional Officers: the Clerk of the Circuit and County Courts, the Property Appraiser, the Sheriff, and the Supervisor of Elections. Circuit Court and County Court judges are also elected.

The County and its independently elected Constitutional Officers provide a broad range of services. These services include law enforcement, fire rescue protection, maintenance of streets, highways, bridges, traffic signals, transportation, environmental protection, urban planning, economic development, human services, parks, libraries, a convention center, property assessments, and tax collections. The County also operates enterprise activities including two airports, a seaport and the water and sewer systems. Certain legally separate entities are also included as an integral part of the County’s financial statement. The County’s Taxpayer Identification Number (“TIN”) is 59-6000531.

More information about the County is available at www.broward.org.

The Broward County Utilities Division was created on January 31, 1962, with the County’s purchase of a small, investor-owner water and wastewater utility. Between 1962 and 1975, the County acquired a number of private utilities. In 1972, the Broward County Utilities Division commenced construction of its North Regional Wastewater Treatment Plant, and in 1975, began providing wholesale wastewater treatment service, including to certain municipalities and utility districts in northern Broward County. In 1976, to achieve fiscal consolidation, the County established uniform rates throughout its service areas. The Utility service area is divided into separate geographic areas (each, a “District”), where District 1 is served by water treatment plant 1A, District 2 is served by water treatment plant 2A, and District 3 is served by purchased water from the City of Hollywood. The Utility is the largest wastewater treatment provider in the County and also the largest comprehensive utility in the County providing water, wastewater, raw water, and reclaimed water services.

Subsequent reorganizations created the current Water and Wastewater Services consisting of five divisions. These divisions are Water and Wastewater Operations, Water and Wastewater

Engineering, Water Management, Water and Wastewater Information Technology, and Business Operations. Water and Wastewater Services operates within the Public Works Department, and is responsible for planning, construction, operation, maintenance, customer service, water management, and financial management of the Utility. Currently, Water and Wastewater Services employs 420 people, including 25 certified water operators, 26 certified wastewater operators, 17 registered professional engineers, and one certified public accountant. Included are eight employees who are dual certified as both water and wastewater operators.

Under the County Code of Ordinances, the County exercises exclusive jurisdiction, control, and supervision over the Utility system or any part of a utility system owned, operated, or maintained by the County. The Board of County Commissioners has the specific legal authority to fix, charge, and collect from its customers rates, fees, and charges, and to acquire, construct, finance, and operate the Utility without supervision or regulation by any other political subdivision of the State (provided that compliance with applicable environmental rules and regulations is accomplished).

ATTACHMENT D - FORM OF OPINION OF BOND COUNSEL

October 3, 2022

Board of County Commissioners
of Broward County, Florida
Fort Lauderdale, Florida

Commissioners:

We have examined a record of proceedings relating to the issuance of the \$_____ Broward County, Florida Water and Sewer Utility Revenue Refunding Bond, Series 2022B (the "Series 2022B Bond"). The Series 2022B Bond is issued under the authority of the laws of the State of Florida, including the Home Rule Charter of Broward County, Florida (the "County"), and other applicable provisions of law, and pursuant to Resolution No. 88-4066 adopted by the Board of County Commissioners of the County on September 6, 1988, as amended and supplemented from time to time, particularly as supplemented by Resolution No. _____, adopted on September __, 2022 (the "Resolution").

The Series 2022B Bond is dated and shall bear interest from its date of delivery, except as otherwise provided in the Resolution. The Series 2022B Bond will mature on October 1, _____ and be subject to the payment of principal amortization installments prior to maturity on the dates and in the principal amounts and will bear interest, as provided in the Resolution and the Series 2022B Bond. Interest on the Series 2022B Bond shall be payable on each April 1 and October 1, commencing on April 1, 2023. The Series 2022B Bond is subject to redemption prior to maturity in accordance with the Resolution and as set forth in the Series 2022B Bond.

The Series 2022B Bond is being issued for the principal purposes of providing moneys, together with other available funds, to (a) refund [all or a portion] of the County's outstanding Water and Sewer Utility Revenue Bonds, Series 2012A and Water and Sewer Utility Revenue Refunding Bonds, Series 2012B and (b) pay costs associated with the issuance of the Series 2022B Bond.

As to questions of fact material to our opinion, we have relied upon the representations of the County contained in the Resolution, and in the certified proceedings relating thereto and to the issuance of the Series 2022B Bond and other certifications of public officials furnished to us in connection therewith without undertaking to verify the same by independent investigation. Furthermore, we have assumed continuing compliance with the covenants and agreements contained in the Resolution. We have not undertaken an independent audit, examination, investigation or inspection of the matters described or contained in any agreements, documents, certificates, representations and opinions relating to the Series 2022B Bond, and have relied solely on the facts, estimates and circumstances described and set forth therein. In our examination of the foregoing, we have assumed the genuineness of signatures on all documents and instruments,

the authenticity of documents submitted as originals and the conformity to originals of documents submitted as copies.

Based on the foregoing, under existing law, we are of the opinion that:

1. The County is a duly created and validly existing political subdivision of the State of Florida.

2. The County has the right and power under the Constitution and laws of the State of Florida to adopt the Resolution and the Resolution has been duly and lawfully adopted by the County, is in full force and effect in accordance with its terms and is valid and binding upon the County and enforceable in accordance with its terms and no other authorization for the Resolution is required. The Resolution creates the valid pledge which it purports to create of the Net Revenues, and, to the extent permitted by State law, Impact Fees (as such terms are defined in the Resolution), subject to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution.

3. The County is duly authorized and entitled to issue the Series 2022B Bond and the Series 2022B Bond has been duly and validly authorized and issued by the County in accordance with the Constitution and laws of the State of Florida and the Resolution. The Series 2022B Bond constitutes a valid and binding obligation of the County as provided in the Resolution and is enforceable in accordance with its terms and the terms of the Resolution and is entitled to the benefits of the Resolution and the laws pursuant to which it is issued. The Series 2022B Bond shall be issued on parity under the Resolution with certain other Bonds (as defined in the Resolution) that are outstanding under the Resolution, to the extent and except as provided in the Resolution. The Series 2022B Bond does not constitute a general indebtedness of the County or the State of Florida or any agency, department or political subdivision thereof, or a pledge of the faith and credit of such entities, but is solely payable from the Net Revenues and, to the extent permitted by State law, Impact Fees, in the manner and to the extent provided in the Resolution. No holder of the Series 2022B Bond shall ever have the right to compel the exercise of any ad valorem taxing power of the County or the State of Florida or any political subdivision, agency or department thereof to pay the Series 2022B Bond.

4. Under existing statutes, regulations, rulings and court decisions, the interest on the Series 2022B Bond (a) is excluded from gross income for federal income tax purposes, and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to certain corporations, such interest is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax. The opinions set forth in this paragraph are subject to the condition that the County comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Series 2022B Bond in order that interest thereon be (or continues to be) excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the interest on the Series 2022B Bond to be so included in gross income retroactive to the date of issuance of the Series 2022B Bond. The County has covenanted in the Resolution to comply with all such requirements. Ownership of the Series 2022B Bond may result in collateral federal tax

consequences to certain taxpayers. We express no opinion regarding such federal tax consequences arising with respect to the Series 2022B Bond.

The opinions expressed in paragraphs 2 and 3 hereof are qualified to the extent that the enforceability of the Resolution and the Series 2022B Bond may be limited by any applicable bankruptcy, insolvency, moratorium, reorganization or other similar laws affecting creditors' rights generally, or by the exercise of judicial discretion in accordance with general principles of equity.

The opinions set forth herein are expressly limited to, and we opine only with respect to, the laws of the State of Florida and the United States of America. The only opinions rendered hereby shall be those expressly stated as such herein, and no opinion shall be implied or inferred as a result of anything contained herein or omitted herefrom.

This opinion is given as of the date hereof and we assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

We have examined the form of the Series 2022B Bond and, in our opinion, the form of the Series 2022B Bond is regular and proper.

Respectfully submitted,
