Dear Commissioner Holness,

I am writing you today to endorse your initiative to rename 6th Court in recognition of U.S. Congressman Alcee L. Hastings' long-time dedication to the improvement of our community.

Alcee Hastings, known to many as "Judge," has distinguished himself as an attorney, civil rights activist, judicial leader, and now Member of Congress. Appointed by President Jimmy Carter in 1979, he became the first African-American Federal Judge in the State of Florida, and served in that position for ten years. Additionally, Congressman Hastings was the first African-American from Florida elected to U.S. Congress after the post-Civil War period. Congressman Hastings has been, and will continue to be, an outspoken advocate for Floridians and our nation as a whole.

Alcee Hastings is one of the most effective and distinguished public servants in the history of Broward County. He has spent his time in office increasing access and opportunities for minorities, women, the elderly, children, and immigrants. He has always had a diligent eye on making Broward County a better place to live, work and visit.

I support honoring Congressman Hastings' decades of service to our community by renaming 6th Court. It would be a recognition worthy of the contributions that he has made in a County that he has helped to build, grow and prosper.

Sincerely,

Commissioner Holness, thank you for your efforts to honor Congressman Alcee Hastings. No one has done more to advance social justice for people of color in South Florida than Congressman Alcee Hastings. His actions over his exemplary legal & political career has laid the groundwork for continuing the Civil Rights Movement & now the Black Lives Matter movement. The move to rename NW 6th Court in the Broward Municipal Services District (BMSD) in honor of Congressman Alcee L. Hastings is not only a good move, it's a necessary move honoring this man of action.

Respectfully,
Mikel D. Jones

Commissioner Holness,

I write to you in support of your resolution to name NW 6th Court in honor of Congressman Alcee L. Hastings.

I have known Rep. Hastings personally for 28 years, worked with him for 17 years, and I can think of no one more worthy of such an honor. The positive impact he has made on the communities he represents cannot be overstated.

To the Broward County Board of County Commissioners:

It is with great pleasure that I submit this letter in support of renaming Northwest 6th Court in the Broward Municipal Services District (BMSD), in honor of Congressman Alcee L. Hastings for his service to the community. Congressman Hastings has been an outspoken advocate for Floridians throughout his career as an attorney, civil rights activist, judge and now Member of Congress.

President Jimmy Carter appointed Alcee Hastings as the first African American Federal Judge in the State of Florida 1979. Judge Hastings also became the first African American Congressman from Florida since the post-Civil War period. In his role as Congressman, Hastings has been an outspoken advocate for Floridians and our nation.

Tackling areas such as education, healthcare and criminal justice reform, Congressman Hastings has demonstrated a continued commitment to the success of Florida's 20th Congressional District, which should be commemorated in Broward County.

Congressman Hastings has contributed significantly to the history of Florida and his record of excellence can serve as inspiration for all and particularly to those in the African American Community. For these reasons and too many to name here, I support the renaming of Northwest 6th Court in honor of Congressman Alcee Hastings.

Sincerely,

Commissioner Mike Gelin
