CORPORATE PARK AT CYPRESS CREEK PLAT
PLAT NOTE AMENDMENT NARRATIVE
Plat Book 108, Page 11 B.C.R.
County Plat No. M-775

I. Background. Citrix Systems, Inc. and Cypress 6261 LLC (collectively, the "Applicant") are the owners of lots 4 and 5, respectively, of the CORPORATE PARK AT CYPRESS CREEK Plat, recorded in Plat Book 108, Page 11 of the Public Records of Broward County, Florida ("Plat"). The Applicant is proposing to amend the plat note to accommodate a new mixed use development on the property, which is currently under review by the City pursuant to City Case No. UDP-S21045 ("Project"). Lots 4 and 5 of the Plat do not currently contain a traditional plat note restriction. However, the County stated that the Plat was originally approved for industrial uses, and there is an atypical note on the plat that states that residential uses are not permitted. Therefore, the Applicant is requesting to add a plat note restriction that would restrict Lots 4 and 5 of the Plat to the existing office square footage and to permit the development of 312 mid-rise residential units. An aerial of the property is pictured below.

II. Request. The current plat note vs. the proposed plat note restriction are as follows:

Current Plat Note:

None as to lots 4 and 5.

Proposed Plat Note:

Lots 4 and 5 are restricted to 32,933 square feet of office uses and 312 mid-rise units.
