SUBJECT: No CBE Goal for Thermoplastic Long Line Truck

NAICS Codes: 336120; 423830

Scope of Services: Trucks, Heavy, Assembling on Chassis of Own Manufacturers and Wholesalers

This contract is NOT subject to the Broward County Workforce Investment Program.

The Traffic Engineering Division is seeking a vendor to furnish a Thermoplastic Long Liner Truck with a self-mounted thermoplastic application machine. The certification directory indicates that there are an inadequate number of certified County Business Enterprise (CBE) firms in the directory that can meet the requirements of the solicitation; therefore, consistent with the Broward County Business Opportunity Act of 2012, as amended, Sec. 1-81.3 (1) (a), no CBE goal is applicable for this project. According to Sec. 1-81.10 (a) (1) of the Broward County Business Opportunity Act, as amended, if a responsive, responsible bid is received from a certified CBE firm that is within ten percent (10%) of the lowest bid received from a non-CBE firm, the CBE shall be offered the opportunity to match the lowest bid. For Request for Proposals (RFPs), if upon the completion of final rankings, a responsive and responsible CBE is within 5% of the highest ranked non-CBE proposer, the CBE shall be considered the highest-ranked proposer and shall have the opportunity to proceed to negotiations with the County.
