Re: Broward County Vacation of Easement Application  
Jacaranda Parcel 834 Plat

Owner/Applicant: PRIII/Stiles Midtown Broward Apartments Owner, LLC

Date: March 25, 2021

LETTER OF INTENT

The applicant, PRIII/Stiles Midtown Broward Apartments Owner, LLC, has obtained developmental approval for construction of a multi-family residential development located on the south side of Peters Road at 8200 Peters Road, Plantation, Florida. When all applications were begun, the current owner/applicant was a contract purchaser, so prior applications appear in the name of Temple Kol Ami, who was the contract seller.

The approved project involves the construction of a multi-family development, a parking garage, and associated infrastructure. In order to accommodate this development, the drainage plan required modification. Construction of the South Florida Water Management District system consists of the filling of a 0.17-acre pond in the northeast corner of the site, and installation of a series of inlets and new culverts. The SWM system will capture and convey stormwater runoff from the site to the master system for water quality treatment and attenuation prior to the outfall into the C-2 Canal via existing control structures. In order to accomplish this, a small portion of an existing Drainage Easement shown on the Jacaranda Parcel 834 Plat must be vacated.

On October 21, 2020, the City of Plantation granted the partial vacation of the Drainage Easement. The Resolution of the City of Plantation is included in the application package. A color exhibit that was included in the City of Plantation Staff Report is attached with the vacation area highlighted in orange. Also included with the application are original Sketch and Legals of the easement portion to be vacated.

Respectfully submitted,

DOUMAR ALLSWORTH
