Re: Item 54 on the March 10, 2020 Agenda

I am writing to correct a typographical error and to provide additional information for item 54, which is a motion to discuss death benefits for officers and deputies of the Broward Sheriff's Office who are killed in the line of duty. The item currently proposes \$250,000 to be disseminated; however, it should read \$50,000.

My proposal is to pilot a program that will place \$50,000 into a reserve account to be used in the event of the death of an officer or deputy. The \$50,000 will cover one year of rent or mortgage and taxes.

Based upon a recent conversation I had with Sheriff Tony, on average BSO loses an officer or deputy once every four to five years.

Please distribute this memo as additional material for item 54.
