SETTLEMENT AGREEMENT

This Settlement Agreement (the "Settlement Agreement") by and among Broward County, a political subdivision of the State of Florida ("County"), Trio Development Corporation, a Florida corporation ("Trio"), and Florida Foundation Systems, Inc., a Florida corporation ("FFS") (each a "Party" and collectively, the "Parties"), is entered into and effective as of the date it is fully executed by the Parties.

Recitals

A. Trio and the City of Lighthouse Point entered into a formal construction contract on or about May 12, 2017 (the "Contract") to complete repairs to the Sample Road Bridge over the Cap Knight Bayou (the "Project"). Trio subcontracted certain work on the Project to FFS. On May 25, 2017, during performance on the Project, a support pile was drilled through a Countyowned watermain, causing extensive damage.

B. On March 9, 2020, the County filed a Complaint against Trio and FFS in the Seventeenth Judicial Circuit in and for Broward County, Florida, which is identified by Case Number CACE 20-004236. On October 28, 2020, the County amended its Complaint. The Amended Complaint alleges counts for negligence and breach of contract as a third-party beneficiary to the Contract against Trio and negligence against FFS.

C. The Parties have engaged in negotiations in an effort to amicably resolve all claims that the County has raised against Trio and FFS in the Lawsuit (as hereinafter defined) arising out of, or relating to, the County's damaged property at the Project.

D. The Parties desire to reduce their negotiations to writing so that it is binding upon them.
