To allow public access to all documents, papers, letters, or other materials subject to the provisions of Chapter 119, FS, made or received by the Provider in conjunction with this subcontract. It is expressly understood that the Provider's refusal to comply with this provision shall constitute an immediate breach of contract.

C. To the Following Governing Law

1. State of Florida Law

This subcontract is executed and entered into in the State of Florida, and shall be construed, performed, and enforced in all respects in accordance with the laws, rules, and regulations of the State of Florida. Each party shall perform its obligations herein in accordance with the terms and conditions of the subcontract.

Such violation shall be cause for unilateral cancellation of this subcontract by the Network. The Provider agrees to utilize the U.S. Department of Homeland Security's E-Verify system, <https://e-verify.gov/employers>, to verify the employment eligibility of all new employees hired during the subcontract term by the Provider. The Provider shall also include a requirement in subcontracts that the subcontractor shall utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the subcontract term. Subcontractors meeting the terms and conditions of the E-Verify System are deemed to be in compliance with this provision.
- e. The Provider shall comply with the President's Executive Order 11246, Equal Employment Opportunity (30 FR 12319, 12935, 3 CFR 1964-1965 Comp., p. 339) as amended by President's Executive Order 11375, and as supplemented by regulations at 41 CFR, Part 60. No payments will be issued until the Provider has submitted a valid DUNS number and evidence of registration (i.e., a printed copy of the completed SAM registration) to the contract manager. To obtain registration and instructions, visit <http://fedgov.dnb.com/webform> and <https://www.sam.gov>.

D. Audits, Records, and Records Retention

1. To establish and maintain books, records, and documents (including electronic storage media) in accordance with generally accepted accounting procedures and practices, which sufficiently and accurately reflect all revenues and expenditures of funds provided by the Network under this subcontract.
2. To retain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this subcontract for a period of seven (7) years after termination of the subcontract, or if an audit has

been initiated and audit findings have not been resolved at the end of seven (7) years, the records shall be retained until resolution of the audit findings or any litigation which may be based on the terms of this subcontract.

3. Upon completion or termination of the subcontract and at the request of the Network, the Provider will cooperate with the Network to facilitate the duplication and transfer of any said records or documents during the required retention period as specified in Section I, paragraph D.2. above.
4. To assure that these records shall be subject at all reasonable times to inspection, review, or audit by Federal, state, or other personnel duly authorized by the Network.
5. Persons duly authorized by the Network and Federal auditors, pursuant to 45 CFR, Part 92.36(i)(10), shall have full access to and the right to examine any of Provider's subcontract and related records and documents, regardless of the form in which kept, at all reasonable times for as long as records are retained.
6. To provide a financial and compliance audit to the Network as specified in Attachment III and to ensure that all related party transactions are disclosed to the auditor.
7. To include these aforementioned audit and record keeping requirements in all approved subcontracts and assignments.
8. If Exhibit 2 of this subcontract indicates that the Provider is a recipient or sub-recipient, the Provider will perform the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular A-133, and/or section 215.97 Florida Statutes, as applicable and conform to the following requirements:
 - a. Documentation. To maintain separate accounting of revenues and expenditures of funds under this subcontract and each CSFA or CFDA number identified on Exhibit 1 attached hereto in accordance with generally accepted accounting practices and procedures. Expenditures which support Provider activities not solely authorized under this subcontract must be allocated in accordance with applicable laws, rules and regulations, and the allocation methodology must be documented and supported by competent evidence.
 Provider must maintain sufficient documentation of all expenditures incurred (e.g., invoices, canceled checks, payroll detail, bank statements, etc.) under this subcontract which evidences that expenditures are:
 - 1) allowable under the subcontract and applicable laws, rules, and regulations.
 - 2) reasonable; and
 - 3) necessary in order for the recipient or subrecipient to fulfill its obligations under this subcontract.
 The aforementioned documentation is subject to review by the Network and/or the State Chief Financial Officer and the Provider will timely comply with any requests for documentation.

E. Monitoring by the Network

1. To permit persons duly authorized by the Network to inspect any records, papers, documents, facilities, goods, and services of the Provider, which are relevant to this subcontract, and interview any clients and employees of the Provider to assure the Network of satisfactory performance of the terms and conditions of this subcontract. Following such evaluation, the Network will deliver to the Provider a written report of its findings and will include written recommendations regarding the Provider's performance of the terms and conditions of this subcontract. The Provider will correct all noted deficiencies identified by the Network within the specified period of time set forth in the recommendations. The Provider's failure to correct noted deficiencies may, at the sole and exclusive discretion of the Network, result in any one or any combination of the following: (1) the Provider being deemed in breach or default of this subcontract; (2) the withholding of payments to the Provider by the Network; and (3) the termination of this subcontract for cause.
2. The Provider may not accept duplicate funding for any cost, position, service, or deliverable funded by the Network. Duplicative funding is defined as more than 100 percent payment from all funding sources for any cost, position, service, or deliverable. If there are multiple funding sources and the program is funded by the Network, the Network or its designee has the right to review all documents related to those funding sources to determine whether duplicative funding is an issue. If duplicate funding is found, this Agreement may be suspended, terminated or both while the extent of the overpayment is determined. Failure to comply with state or federal law, and the U.S. Department of Justice Programs, Financial Guide, may also result in the suspension, termination, or both of this Agreement while the extent of the overpayment is determined. Absent fraud, in the event that there has been an overpayment to the Provider for any reason, if the amount of the overpayment cannot be determined to a reasonable degree of certainty, as determined in the sole discretion of the Network, the Provider will reimburse to the Network one half of the monies previously paid to the Provider for that line item for the grant year in question.
3. The PROVIDER will return to the Network any overpayments made to the PROVIDER stemming from the identification of uncommitted funds or disallowed items pursuant to the terms and conditions of this Agreement. If the PROVIDER or any outside accountant or auditor determines that an overpayment has been made, the PROVIDER will immediately return to the Network such overpayment without prior notification from the Network. If the Network discovers that an overpayment has been made, the Contract Manager, on behalf of the Network, will notify the PROVIDER and the PROVIDER will forthwith return the funds to the Network. Should the PROVIDER fail to immediately reimburse the Network for any overpayment, the PROVIDER will be assessed a service charge equal to the rate of interest payable on judgments or decrees at the lawful rate established by the Chief Financial Officer of the State of Florida pursuant to section 55.03, Florida Statutes, on the amount of the overpayment or outstanding balance thereof. Interest will accrue from the date of the PROVIDER's initial receipt of funds up to the date of reimbursement of the overpayment funds to the Network.

F. Indemnification

NOTE: Paragraph I.F.1. and I.F.2. are not applicable to contracts executed between state agencies or subdivisions, as defined in §768.28, FS.

1. The Provider shall be liable for and shall indemnify, defend, and hold harmless the Network and all of its officers, agents, and employees from all claims, suits, judgments, or damages, consequential or otherwise and including attorneys' fees and costs, arising out of any act, actions, neglect, or omissions by the Provider, its agents, or employees during the performance or operation of this subcontract or any subsequent modifications thereof, whether direct or indirect, and whether to any person or tangible or intangible property.
2. The Provider's inability to evaluate liability or its evaluation of liability shall not excuse the Provider's duty to defend and indemnify within seven (7) days after such notice by the Network is given by certified mail. Only adjudication or judgment after highest appeal is exhausted specifically finding the Provider not liable shall excuse performance of this provision. The Provider shall pay all costs and fees related to this obligation and its enforcement by the Network. The Network's failure to notify the Provider of a claim shall not release the Provider of the above duty to defend.

G. Insurance

To provide adequate liability insurance coverage on a comprehensive basis and to hold such liability insurance at all times during the existence of this subcontract and any renewal(s) and extension(s) of it. Upon execution of this subcontract, unless it is a state agency or subdivision as defined by §768.28, FS, the Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the Provider and the clients to be served under this subcontract. The limits of coverage under each policy maintained by the Provider do not limit the Provider's liability and obligations under this subcontract. Upon the execution of this subcontract, the Provider shall furnish the Network written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The Network reserves the right to require additional insurance as specified in Attachment I where appropriate.

H. Safeguarding Information

Not to use or disclose any information concerning a recipient of services under this subcontract for any purpose not in conformity with state and federal law or regulations except upon written consent of the recipient, or his responsible parent or guardian when authorized by law.

I. Assignments and Subcontracts

1. To neither assign the responsibility of this subcontract to another party nor subcontract for any of the work contemplated under this subcontract without prior written approval of the Network, which shall not be unreasonably withheld. Any sub-license, assignment, or transfer otherwise occurring shall be null and void.
2. The Provider shall be responsible for all work performed and all expenses incurred with the project. If the Network permits the Provider to subcontract all or part of the work contemplated under this subcontract, including entering into subcontracts with vendors for services and commodities, it is understood by the Provider that the Network shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and the Provider shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
3. The State of Florida shall always be entitled to assign or transfer, in whole or part, its rights, duties, or obligations under this subcontract to another governmental agency in the State of Florida, upon giving prior written notice to the Provider. In the event the State of Florida approves transfer of the Provider's obligations, the Provider remains responsible for all work performed and all expenses incurred in connection with the subcontract. In addition, this subcontract shall bind the successors, assigns, and legal representatives of the Provider and of any legal entity that succeeds to the obligations of the State of Florida.
4. Unless otherwise stated in the contract between the Provider and subcontractor, payments made by the Provider to the subcontractor must be within seven (7) working days after receipt of full or partial payments from the Network in accordance with §§287.0585, FS. Failure to pay within seven (7) working days will result in a penalty charged against the Provider and paid by the Provider to the subcontractor in the amount of one-half of one (1) percent of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen (15) percent of the outstanding balance due.

J. Return of Funds

To return to the Network any overpayments due to unearned funds or funds disallowed and any interest attributable to such funds pursuant to the terms of this subcontract that were disbursed to the Provider by the Network. In the event that the Provider or its independent auditor discovers that overpayment has been made, the Provider shall repay said overpayment immediately without prior notification from the Network. In the event that the Network first discovers an overpayment has been made, the Network will notify the Provider by letter of such a finding. Should repayment not be made in a timely manner, the Network will charge interest at the rate in effect on the date of overpayment, as determined by the State of Florida, Chief Financial Officer, pursuant to Chapter 55, Florida Statutes, on the amount of the overpayment or outstanding balance thereof. Interest will accrue from the date of the Providers initial receipt of funds up to the date of reimbursement of said overpayment funds to the Network.

K. Incident Reporting

Abuse, Neglect, and Exploitation Reporting. In compliance with Chapter 415, FS, an employee of the Provider who knows or has reasonable cause to suspect that a child, or disabled adult is or has been abused, neglected, or exploited shall immediately report such knowledge or suspicion to the Florida Abuse Hotline on the single statewide toll-free telephone number (1-800-96ABUSE).

Critical Incident Reporting for serious violations of law or regulations, significant changes in operation and external impact of anything which could possibly generate negative print, television and/or radio coverage will be reported to the Network's Executive Director Cindy Vallely (850) 671-4791 or at executivedirector@fnccac.org. The Provider will provide updates to the Network, as needed, regarding ongoing developments related to the incident.

L. Purchasing

Procurement of Materials with Recycled Content. It is expressly understood and agreed that any products or materials which are the subject of or are required to carry out this contract shall be procured in accordance with the provisions of §403.7065, and §287.045, FS.

Expenditures of state financial assistance must be in compliance with laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures. If the Provider is a unit of local or state government, the Provider must follow the written purchasing procedures of that state or local government agency. If the Provider is a non-profit organization, the Provider will obtain a minimum of three written quotes for all single item grant-related purchases equal to or in excess of \$2,500 unless it is documented that the vendor is a sole source supplier. If the Provider intends to purchase commodities or contractual services from such a sole source supplier, then the provider must first notify the Network of the intended sole source purchase. Providing the following information, at a minimum:

- Providers Name
- Title and brief description of the commodity or contractual service desired to be purchased
- Contact information for Provider's procurement manager
- Performance and/or design requirements
- Intended single Source
- Price
- Justification for Single Source purchase (i.e., what is necessary and unique about the commodity, contractual service, or source; steps taken to confirm unavailability of competition, as appropriate)

The Network will review the information provided and either approve or disapprove the intention to use the sole source supplier by responding in writing to the Provider within a reasonable timeframe.

M. Independent Capacity of the Subcontractor

1. In the performance of this subcontract, it is agreed between the parties that the Provider is an independent contractor, and that the Provider is solely liable for the performance of all tasks contemplated by this subcontract, which are not the exclusive responsibility of the Network.
2. Except where the Provider is a state agency, the Provider, its officers, agents, employees, subcontractors, or assignees, in performance of this subcontract, shall act in the capacity of an independent contractor and not as an officer, employee, or agent of the Network or the State of Florida. Nor shall the Provider represent to others that it has the authority to bind the Network unless specifically authorized to do so.
3. Except where the Provider is a state agency, neither the Provider, its officers, agents, employees, subcontractors nor assignees are entitled to state retirement or state leave benefits, or to any other compensation of state employment as a result of performing the duties and obligations of this subcontract.
4. The Provider agrees to take such actions as may be necessary to ensure that each subcontractor of the Provider will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venture or partner of the Network or the State of Florida.
5. Unless justified by the Provider and agreed to by the Network in Attachment I, the Network will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial, or clerical support) to the Provider, or its subcontractor or assignee.
6. All deductions for social security, withholding taxes, income taxes, contributions to unemployment compensation funds, and all necessary insurance for the Provider, the Provider's officers, employees, agents, subcontractors, or assignees shall be the responsibility of the Provider.

N. Use of Funds for Lobbying Prohibited

To comply with the provisions of §216.347, FS, which prohibit the expenditure of subcontract funds for the purpose of lobbying the Legislature, judicial branch, or a state agency.

O. Public Entity Crime and Discriminatory Vendor

By executing this subcontract, the Provider represents and warrants that neither the Provider nor any of its affiliates, subsidiaries, directors, officers, or employees are currently on the convicted vendor list maintained pursuant to § 287.133, F.S., the discriminatory vendor list maintained pursuant to § 287.134, F.S., or any similar list maintained by any other state or the federal government. The Provider shall immediately notify the Network if it or any of its affiliates, subsidiaries, directors, officers, or employees are placed on the convicted vendor list maintained pursuant to § 287.133, F.S., the discriminatory vendor list maintained pursuant to § 287.134, F.S., or any similar list maintained by any other state or federal government.

P. Patents, Copyrights, and Royalties

1. If any discovery or invention arises or is developed in the course or as a result of work or services performed under this subcontract, or in any way connected herewith, the Provider shall refer the discovery or invention to the Network to be referred to the Department of State to determine whether patent protection will be sought in the name of the State of Florida. Any and all patent rights accruing under or in connection with the performance of this subcontract are hereby reserved to the State of Florida.
2. The Provider, to the extent permitted by Florida law, shall indemnify and save harmless the Network and the State of Florida and its employees from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured by the Provider. The Provider has no liability when such claim is solely and exclusively due to the Department of State's alteration of the article. The State of Florida will provide prompt written notification of claim of copyright or patent infringement. Further, if such claim is made or is pending, the Provider may, at its option and expense, procure for the Department of State, the right to continue use of, replace, or modify the article to render it non-infringing. If the Provider uses any design, device, or materials covered by letters, patent, or copyright, it is mutually agreed and understood without exception that the bid prices shall include all royalties or cost arising from the use of such design, device, or materials in any way involved in the work. Nothing herein shall be construed as a waiver of the sovereign immunity of the Provider, the State of Florida, and their agents and agencies beyond the waiver provided in Section 768.28, Florida Statutes.

Q. Construction or Renovation of Facilities Using State Funds

No funds provided under this Subcontract may be used for the purchase of or improvements to real property.

456.057, Florida Statutes. The Provider must implement procedures to ensure the protection and confidentiality of all confidential matters. The Provider must also comply with any applicable professional standards of practice with respect to client confidentiality.

S. Criminal History Records Checks

1. That Network requires criminal history records check on any Provider's staff, employees or subcontractor staff that has access to children's confidential information resources or facilities operated in whole or in part with funding from this Subcontract unless formally waived in writing by the Network. The cost of performing the criminal history records checks is an allowable expense under this Subcontract.
2. The criminal history records check must be completed in accordance with §§ 394.4572, 408.809 and 435.12, Florida Statutes. A letter certifying that no disqualifying crimes were identified must be submitted to the Network Contract Manager within 30 days. If the Provider adds additional employees during the term of the Subcontract, the names of those staff, employees or subcontractor staff must be provided to the Network Contract Manager within 7 days of beginning work. The Provider shall resubmit updated Criminal History Records Checks certification letters every five (5) years from the prior criminal history records check if the Subcontract is in force.
3. If any disqualifying crimes are present on the record, the Provider agrees to remove the employee from the worksite and terminate the employee's access to confidential information resources, participants, and the participant's family members.
4. During the term of the subcontract, the Provider shall report in writing to the Network Contract Manager, the arrest, charge or Notice to Appear for an alleged commission of a disqualifying crime in any state or other jurisdiction for any Provider's staff, employee or subcontractor assigned to this Subcontract within one (1) business day of Provider's knowledge. The notice shall include the Provider's name, the staff member's name, and the location and nature of the alleged violation. The Network reserves the right to require the Provider to immediately suspend or terminate the staff members work under this Subcontract, access to any children and their families' receiving services funded by this Subcontract and state or federal confidential information obtained or maintained under this Subcontract. That the provider will follow Florida law on text messaging while driving company-owned or rented vehicles; while driving privately owned vehicles on official business; or when performing any work for or on behalf of the Network.

V. Gifts and Gratuities: The Provider will not offer or give any gift or any form of compensation to any Network employee. As part of the consideration for this agreement, the Parties intend that this provision will survive the Agreement for a period of two years. In addition to any other remedies available to the Network, any violation of this provision will result in referral of the Provider's name and description of the violation of this term to the Florida Department of management Services for the potential inclusion of the Provider's name on the suspended vendors list for an appropriate period. The Provider will ensure that its subcontractors, if any, comply with these provisions.

W. Health Insurance Portability and Accountability Act

Failure to have performed any contractual obligations with the Network in a manner satisfactory to the Network will be a sufficient cause for termination. To be terminated as a Provider under this provision, the Provider must have: (1) previously failed to satisfactorily perform in a contract with the Network, been notified by the Network of the unsatisfactory performance, and failed to correct the unsatisfactory performance to the satisfaction of the Network; or (2) had a contract terminated by the Network for cause.

C. Renegotiation or Modification

Modifications of provisions of this subcontract shall only be valid when they have been reduced to writing and duly signed by both parties. The rate of payment and dollar amount may be adjusted retroactively to reflect price level increases and changes in the rate of payment when these have been established through the appropriations process and subsequently identified in the Network's operating budget. The Provider may request a budget modification which must be approved by the Network prior to the expenditure of any Network grant funds arising from any adjustments between previously approved budget categories and line items. Financial reporting packages required under this part must be submitted within the earlier of 30 days after receipt of the audit report or 9 months after the end of the provider's fiscal year end.

PART II: STATE FUNDED

This part is applicable if the provider is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the provider expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such provider (for fiscal years ending September 30, 2004 or thereafter), the provider must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), and Rules of the Auditor General. EXHIBIT I to this agreement indicates state financial assistance awarded through the Network by this agreement. In determining the state financial assistance expended in its fiscal year, the provider shall consider all sources of state financial assistance, including state financial assistance received from the Network, the Department of Health, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1, the provider shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapter 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the provider expends less than \$500,000 in state financial assistance in its fiscal year (for fiscal years ending September 30, 2004, or thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the provider expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the provider resources obtained from other than State entities).
4. An audit conducted in accordance with this part shall cover the entire organization for the organization's fiscal year. Compliance findings related to agreements with the Network shall be based on the agreement's requirements, including any applicable rules, regulations, or statutes. The financial statements shall disclose whether or not the matching requirement was met for each applicable agreement. All questioned costs and liabilities due to the Network shall be fully disclosed in the audit report with reference to the Network agreement involved. If not otherwise disclosed as required by Rule 69I-5.003, Fla. Admin. Code, the schedule of expenditures of state financial assistance shall identify expenditures by agreement number for each agreement with the Network in effect during the audit period. Financial reporting packages required under this part must be submitted within 45 days after delivery of the audit report, but no later than 9 months after the provider's fiscal year end for local governmental entities. Non-profit or for-profit organizations are required to be submitted within 45 days after delivery of the audit report, but no later than 9 months after the provider's fiscal year end. Notwithstanding the applicability of this portion, the Network retains all right and obligation to monitor and oversee the performance of this agreement as outlined throughout this document and pursuant to law.
