It has been brought to my attention that at tomorrow's County Commission meeting, a vote is planned regarding a proposed Police Review Board. If I understand correctly, this Board would have jurisdiction over independent (non-BSO) departments as well as BSO. If that is the case, and non-BSO police departments would be subject to review by this proposed Board, why was input regarding this Board not solicited from the municipalities who fund their own law enforcement agencies?

I strongly request that this item be tabled from tomorrow's agenda. I ask that the Departments that would be affected by this proposed Board be invited to participate in establishing this Board. I have no objection to creating a Police Review Board, however, the composition of the Board must be vetted to EXCLUDE activists and politically motivated organizations and to INCLUDE only unbiased law enforcement professionals.

Respectfully,

Deb
