Re: BLD2121705B1 Technical Advisory Services / Application Review Services

After review of the solicitations, the Office of Economic and Small Business Development has determined to qualify all firms so they can be included in the QVL of Technical Advisory Services for Solicitation BLD212705B1.

It was also determined that the level of expertise and ownership that came with the CBE CPA Library was best for assisting the County in meeting the requirements of the CARES Act Program. With this in mind, it is best to reject all of the Reviewer firms, and not create a QVL of Applicant Reviewers, concerning Solicitation BLD212705B1.
