Honorable Mayor and County Commissioners,

The Broward County Chiefs of Police Association supports a strong, positive and collaborative relationship with the residents and businesses of Broward County. We believe that the decision by the County Commission to provide the Broward County Chiefs of Police Association a voting membership on the Police and Criminal Justice Review Board will facilitate improved law enforcement/community relations and foster improved police services to the entire county. We recognize that this board will increase transparency from the law enforcement community and create new opportunities for dialogue and understanding. The Association's ability to be a voting member is vital to ensure that all community stakeholders have equal input in accomplishing the goals of the Board.

The Broward County Chiefs of Police Association stands with the community while we collectively meet the unprecedented challenges of today that will inevitably affect how policing is conducted in the future. We have listened to and continue to cultivate relationships with all members of the community, understand and appreciate their expectations of law enforcement and its various roles, and remain committed to improving our relationships. Together, we stand ready to meet these challenges.

Thank you for your service and commitment to Broward County that will have a long-term, positive effect on everyone. Please do not hesitate to contact me or any member of the Broward County Chiefs of Police Association Executive Board if you have any questions.

Sincerely,

Chief Dexter Williams, President  
Broward County Chiefs of Police Association
