Payment Terms and Financing Options

Net 30

No additional leasing or financing options are available from Jasper Holdings.

Proposed order process:

- 1) Sourcewell participating entity contacts Jasper Holdings via phone, e-mail, or online link to exclusive landing page.
- 2) Sourcewell participating entity identifies as Sourcewell entity and established account with Jasper Holdings.
- 3) Jasper Holdings Inside Sales Representative works directly with Sourcewell entity to identify product needed.
- 4) Jasper Holdings Inside Sales Representative provides Sourcewell entity with pricing, availability, and other key information requested.
- 5) If the account is already setup, Jasper Holdings will offer the customers payment terms or provide other options for payment.
- 6) Jasper Holdings does not utilize a dealer network; all sales are transacted within the Jasper Holding's corporate structure.
- 7) Every Sourcewell entity that is interested in purchasing automotive parts and supplies from Jasper Holdings will need to disclose their Sourcewell affiliation PRIOR to ordering the first order. From that point on, the Sourcewell participating entity will be listed as a program participant with the account labelled with the Jasper Holdings control number assigned to Sourcewell.
- 8) Sourcewell will receive a quarterly report from Jasper Holdings that will disclose: Overall Sales, Program Participation and, Sourcewell participation fee. All reports are generated and audited internally. All sales will be reported quarterly to Sourcewell.
- 9) Jasper Holdings does accept the P-Card payment process. No additional fees would apply for the use of a P-Card by the Sourcewell partnering entity.
- 10) Jasper Holdings' pricing model provides for a percentage discount range *off* MSRP.
- 11) Jasper Holdings' pricing model provides for a percentage discount range *off* MSRP by product category. Jasper Holdings reserves the right, in its sole discretion, to determine the appropriate category for a particular product. The following are the product categories and the percentage discount range *off* MSRP in each category.
