RE: Plat Note Amendment for Minto Federal Plat  
(098-MP-05) City of Fort Lauderdale

DATE: September 8, 2021

Planning Council staff has reviewed the proposed revision to the restrictive note on the above referenced plat.

The Future Land Use Element of the City of Fort Lauderdale Comprehensive Plan is the effective land use plan for the City of Fort Lauderdale. That plan designates the area covered by this plat for the uses permitted in the "Downtown Fort Lauderdale Regional Activity Center" land use category. This plat is generally located on the west side of Federal Highway, between Northeast 5 Street and Northeast 6 Street.

Regarding the existing and proposed uses, this plat is subject to the executed "Interlocal Agreement for the Monitoring of Development Activity and Enforcement of Permitted Land Uses in Regional Activity Center," as recorded in Official Record Book 34094, Pages 1407-1412.

The contents of this memorandum are not a judgment as to whether this development proposal complies with the Broward County Trafficways Plan, local zoning, other land development regulations or the development review requirements of the Broward County Land Use Plan including its concurrency requirements.
