Howard,

I have had an opportunity to review materials relative to Plat No. 008-MP-21 Peaceful Center; Broward County property folio(s): 5041-35-01-0132 and 5041-35-01-0138

A. In my capacity as the County's archaeological consultant, based on the available information including archival documents, maps, the Broward County Land Use Plan and the Florida Master Site File (FMSF), it is my determination that the proposed project will not have an adverse effect on any known historical or archaeological resources or areas of archaeological or paleontological sensitivity.

1. The following cultural resources were identified in a search of a 0.5-mile radius surrounding the Project Area. None of these resources will be impacted due to this project.

- 12 Historic Structures: all are either determined Ineligible for listing in the NRHP or are Not Evaluated by SHPO.
- 4 Resource Groups: all are determined Ineligible for listing in the NRHP except for BE04153 (South New River Canal), which has been determined Eligible.

B. The subject property is located in the of Town Davie, outside jurisdiction of the Broward County historic preservation ordinance (B.C. Ord. 2014-32). The property owner / agent is advised to contact the municipality to seek project review for compliance with municipal historic preservation regulations.
