RE: Date of Accident: 12/14/14

The Claimant is a 50-year-old former Bus Operator, with the Broward County Transit Division. On December 14, 2014, the Claimant alleged injuries to the back while operating a County bus, that was struck on the driver's side during a scheduled passenger stop. The accident was accepted as compensable under Florida Workers' Compensation Law.

The Risk Management Division recommends an indemnity-only settlement up to \$90,000 which is in the best interest of Broward County.

CONCURRENCE

Based on the factual information provided, the Office of the County Attorney concurs in the proposed settlement. This concurrence meets the requirements of Section 1-51.3(2)(c) Broward County Code of Ordinances.
