1. State of Florida Law: This subcontract is executed and entered into in the state of Florida, and will be construed, performed, and enforced in all respects in accordance with the laws, rules, and regulations of the state of Florida (State). Each party will perform its obligations in accordance with the terms and conditions of this subcontract.

If a Disclosure of Lobbying Activities form, Standard Form LLL, is required, it may be obtained from the Contract Manager. All disclosure forms as required by the Certification Regarding Lobbying form must be completed and returned to the Contract Manager.
  - f. Employment of unauthorized aliens is a violation of the Immigration and Nationality Act, 8 U.S.C. section 1324a, and such violation will be cause for unilateral cancellation of this subcontract by the Council. The Provider must use the U.S. Department of Homeland Security's E-Verify system, <https://e-verify.uscis.gov/emp>, to verify the employment eligibility of all new employees hired during the subcontract term by Provider. Provider must also include a requirement in subcontracts that the subcontractor must use the E-Verify system to verify the employment eligibility of all new employees performing work or providing services under this subcontract who are hired by the subcontractor during the subcontract term. Providers meeting the terms and conditions of the E-Verify System are deemed to be in compliance with this provision.
  - g. Provider must comply with President's Executive Order 11246, Equal Employment Opportunity (30 Fed. Reg. 12935), as amended by President's Executive Order 11375, (32 Fed. Reg. 14303), and as supplemented by regulations at 41 C.F.R. chapter 60.

Provider's failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and the imposition of an administrative compliance order on the responsible entity. Provider must include a similar provision in any subcontracts it enters under this subcontract.
  - i. Health Insurance Portability and Accountability Act of 1996 (HIPAA): When applicable, Provider must comply with Federal Privacy and Security Regulations developed by the U.S. Department of Health and Human Services as specified in 45 C.F.R. parts 160 and 164 promulgated pursuant to HIPAA, Pub. L. No. 104-191, and the Health Information Technology for Economic and Clinical Health Act, Title XIII of Division A, Title IV of Division B, Pub. L. No 111-5, collectively referred to as "HIPAA."
  - j. Provider is required to submit a W-9 to the Department of Financial Services (DFS) electronically prior to doing business with the state of Florida via the Vendor Website at <https://flvendor.myfloridacfo.com>. Any subsequent changes to Provider's W-9 must be made on this website; however, if Provider needs to change its Federal Employer Identification Number (FEID), it must contact the DFS Vendor Ombudsman Section at (850) 413-5516.

- k. If Provider is determined to be a subrecipient of federal funds, Provider will comply with the requirements of the American Recovery and Reinvestment Act and the Federal Funding Accountability and Transparency Act, by obtaining a DUNS (Data Universal Numbering System) number and registering with the System for Award Management. No payments will be issued until Provider has submitted a valid DUNS number and evidence of registration (i.e., a printed copy of the completed SAM registration) to the Contract Manager. To obtain registration and instructions, visit <http://fedgov.dnb.com/webform> and <https://www.sam.gov>.

**C. Audits, Records (including electronic storage media), and Records Retention**

1. To establish and maintain books, records, and documents in accordance with generally accepted accounting procedures and practices, which sufficiently and properly reflect all revenues and expenditures of funds provided by the Council under this subcontract.
2. To retain all client records, financial records, supporting documents, statistical records, and any other documents pertinent to this subcontract for a period of six years after termination of the subcontract, or if an audit has been initiated and audit findings have not been resolved at the end of six years, the records must be retained until resolution of the audit findings or any litigation which may be based on the terms of this subcontract.
3. Upon completion or termination of this subcontract and at the request of the Council, Provider will, at its expense, cooperate with the Council in the duplication and transfer of any said records or documents during the required retention period as specified in Section I, paragraph C.2., above.
4. Persons duly authorized by the Council and state and federal auditors, pursuant to 2 C.F.R. section 200.336, will have full access to and the right to examine any of Provider's records and documents related to this subcontract, regardless of the form in which kept, at all reasonable times for as long as records are retained.
5. To ensure these audit and record keeping requirements are included in all subcontracts and assignments.
6. If Provider is a recipient or subrecipient as specified in Attachment II, Provider will perform the required financial and compliance audits in accordance with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. part 200, subpart F and section 215.97, Florida Statutes, as applicable and conform to the following requirements:
  - a. Documentation. Maintain separate accounting of revenues and expenditures of funds under this subcontract and each Catalog of State Financial Assistance (CSFA) or Catalog of Federal Domestic Assistance (CFDA) number identified on the attached Exhibit 1, in accordance with generally accepted accounting practices and procedures. Expenditures which support Provider's activities not solely authorized under this subcontract must be allocated in accordance with applicable laws, rules, and regulations and the allocation methodology must be documented and supported by competent evidence.
  - b. Maintain sufficient documentation of all expenditures incurred (e.g., invoices, canceled checks, payroll detail, bank statements, etc.) under this subcontract which evidences that expenditures are:
    - 1) Allowable under the subcontract and applicable laws, rules, and regulations;
    - 2) Reasonable; and
    - 3) Necessary for Provider to fulfill its obligations under this subcontract.
  - c. All documentation required by this section is subject to review by the Council and the State's Chief Financial Officer. Provider must timely comply with any requests for documentation. Annual Financial Report. Submit to the Council an annual financial report stating, by line item, all expenditures made as a direct result of services provided through this subcontract within 30 days from the end of each subcontract year, but no later than submission of the final invoice for that year. Each report must include a statement signed by an individual with legal authority to bind Provider, certifying that these expenditures are true, accurate, and directly related to this subcontract.
  - d. Ensure that funding received under this subcontract in excess of expenditures is remitted to the Council within 45 days of the end of each subcontract year and the subcontract end date.
7. Public Records: Keep and maintain public records, as defined by Chapter 119, Florida Statutes that are required by the Council to perform the services required by the subcontract. Upon request from the Council, provide the Council with a copy of the requested public records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed that provided in Chapter 119, Florida Statutes, or as otherwise provided by law. Ensure that public records that are exempt or that are confidential and exempt from public record disclosure are not disclosed, except as authorized by law for the duration of the subcontract term and following completion of the subcontract if Provider does not transfer the public records to the Council. Upon completion of the subcontract, transfer to the Council at no cost, all public records in possession of Provider or keep and maintain public records required by the Council to perform the subcontract services. If Provider transfers all public records to the Council upon completion of the subcontract, Provider will destroy any duplicate public records that are exempt or confidential and exempt. If Provider keeps and maintains public records upon completion of the subcontract, Provider will meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Council, upon request of the Council, in a format that is compatible with the information technology systems of the Council. The Council may unilaterally terminate this subcontract if Provider refuses to allow access to all public records made or maintained by Provider in conjunction with this subcontract, unless the records are exempt from section 24(a) of Art. I of the State Constitution and section 119.07(1), Florida Statutes.
8. Cooperation with Inspectors General: To the extent applicable, Provider acknowledges and understands it has a duty to and will cooperate with the inspector general in any investigation, audit, inspection, review, or hearing pursuant to section 20.055(5), Florida Statutes.

- D. Monitoring by the Council:** To permit persons duly authorized by the Council to inspect any records, papers, documents, facilities, goods, and services of Provider, which are relevant to this subcontract, and interview any clients or employees of Provider to assure the Council of satisfactory performance of the terms and conditions of this subcontract. Following the Council's monitoring, at its sole and exclusive direction, the Council may provide Provider with a written report or take other actions including the assessment of financial consequences pursuant to section 287.058(1)(h), Florida Statutes, and termination of this subcontract for cause.
- E. Indemnification**
1. Provider is liable for and will indemnify, defend, and hold harmless the Council and all of its officers, agents, and employees from all claims, suits, judgments, or damages, consequential or otherwise and including attorneys' fees and costs, arising out of any act, actions, neglect, or omissions by Provider, its agents, or employees during the performance or operation of this subcontract or any subsequent modifications thereof, whether direct or indirect, and whether to any person or tangible or intangible property.
  2. Provider's inability to evaluate liability or its evaluation of no liability will not excuse Provider's duty to defend and indemnify the Council within seven days after certified mail or courier delivery notice from the Council. Only adjudication or judgment after highest appeal is exhausted specifically finding Provider not liable will excuse performance of this provision. Provider will pay all costs and fees related to this obligation and its enforcement by the Council. The Council's failure to notify Provider of a claim will not release Provider of the above duty to indemnify. NOTE: This section, I.E, Indemnification, is not applicable to contracts executed with state agencies or subdivisions, as defined in section 768.28, Florida Statutes.
- F. Insurance:** To provide adequate liability insurance coverage on a comprehensive basis and to hold such liability insurance at all times during the existence of this contract and any renewal(s) and extension(s) of it. Upon execution of this subcontract, unless it is a state agency or subdivision as defined in section 768.28, Florida Statutes, Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for Provider and the clients to be served under this subcontract. The limits of coverage under each policy maintained by Provider do not limit Provider's liability and obligations under this subcontract. Upon the execution of this subcontract, Provider must furnish the Council written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State. The Council reserves the right to require additional insurance as specified in Attachment I.
- G. Safeguarding Information:** Not to use or disclose any information concerning a recipient of services under this subcontract for any purpose not in conformity with state and federal law except upon written consent of the recipient, or the responsible parent or guardian when authorized by law.
- H. Assignments and Subcontracts**
1. To neither assign the responsibility of this subcontract to another party nor subcontract for any of the work contemplated under this subcontract without prior written approval of the Council, which will not be unreasonably withheld. Any sub-license, assignment, or transfer otherwise occurring will be null and void. In the event the use of subcontracts is allowed, Provider will remain responsible for all work performed and all expenses incurred in connection with this subcontract. In addition, this subcontract will bind the successors, assigns, and legal representatives of Provider and of any legal entity that succeeds to the obligations of the Council.
  2. Provider will be responsible for all work performed and all expenses incurred for this subcontract. If the Council permits Provider to subcontract all or part of the work contemplated under this subcontract, including entering into subcontracts with vendors for services or commodities, the Council will not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and Provider will be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. If the Council permits Provider to subcontract, such permission will be indicated in Attachment I.
  3. Unless otherwise stated in the subcontract between Provider and subcontractor, payments made by Provider to the subcontractor must be within seven working days after receipt of full or partial payments from the Council in accordance with section 287.0585, Florida Statutes. Failure to pay within seven working days will result in a penalty charged against Provider to be paid by Provider to the subcontractor in the amount of one-half of one percent of the amount due per day from the expiration of the period allowed herein for payment. The penalty will be in addition to actual payments owed and will not exceed 15 percent of the outstanding balance due.
- I. Return of Funds:** Return to the Council any overpayments due to unearned funds or funds disallowed and any interest attributable to such funds pursuant to the terms of this subcontract that were paid to Provider by the Council. In the event that Provider or its independent auditor discovers that an overpayment has been made, Provider will repay the overpayment within 40 calendar days without prior notification from the Council. In the event that the Council first discovers an overpayment has been made, the Council will notify Provider in writing of such a finding. Should repayment not be made in the time specified by the Council, Provider will pay interest of one percent per month compounded on the outstanding balance after 40 calendar days after the date of notification or discovery.
- J. Transportation Disadvantaged:** If clients are to be transported under this subcontract, Provider must comply with the provisions of Chapter 427, Florida Statutes, and Rule Chapter 41-2, Florida Administrative Code.

Other exceptions to the requirement may be considered.
  - 7) The Provider shall assign at least twenty-five (25) percent FTE to any position funded under this subcontract to provide sexual assault victim services and/or related activities during the subcontract period. If twenty-five (25) percent exceeds the amount of the award, assign the maximum possible.

b. Reports. The mere receipt of reports by the Council shall not be construed to mean or imply approval. Although submitted by the due date, incomplete reports will not be considered received. If not rectified by the due date, late penalties will be applied. The Council reserves the right to reject reports as incomplete, inadequate, or unacceptable. The Council, at its option, may allow additional time within which the Provider may remedy the objections noted or after having given the Provider a reasonable opportunity to cure and the Provider fails to cure, the Council may terminate the subcontract in the absence of extenuating or mitigating circumstances.
