GENERAL CONDITIONS

Quotation Requests and Invitations to Bid

These General Conditions apply to every Quotation Requests ("RFQs") and Invitations to Bid ("ITBs") (each a "solicitation") issued by Broward County (the "County") unless the County deletes, supersedes, or modifies any of these General Conditions for a particular solicitation by indicating such change in the Special Instructions to Vendors. The submission by any vendor ("Vendor") of a response to the solicitation ("response") constitutes Vendor's offer to contract to the County and includes as a material part of that offer Vendor's agreement that these General Conditions, along with all other provisions included in the solicitation and the pricing stated in Vendor's response, will constitute the contract between the Vendor awarded the solicitation ("Contractor") and the County, and shall prevail over any conflicting provision in any quotation, standard form contract, or other document of the Contractor, regardless of any language in such document(s) to the contrary. Any modification to these General Conditions or the language of the solicitation by Vendor is prohibited, unenforceable, and may render Vendor's response nonresponsive. All references herein to the "Procurement Code" refer to Chapter 21 of the Broward County Administrative Code.

A. GENERAL PROVISIONS

1. Effect of Vendor's Signature on Vendor's Response.

By Vendor including its digital or electronic signature on its response to this solicitation:

- (a) Vendor represents and certifies that the representations in Section A.2 of these General Conditions are true and accurate;
- (b) Vendor acknowledges, accepts, and agrees that this solicitation is governed by the Terms and Conditions of the Solicitation stated herein; and
- (c) **VENDOR ACKNOWLEDGES, ACCEPTS, AND AGREES THAT, IF AWARDED THE SOLICITATION BY THE COUNTY'S ACCEPTANCE OF VENDOR'S OFFER AS SET FORTH IN ITS RESPONSE TO THE SOLICITATION, VENDOR IS LEGALLY BOUND TO THESE GENERAL CONDITIONS, SPECIAL INSTRUCTIONS, AND THE SPECIFICATIONS OF THIS SOLICITATION, INCLUDING WITHOUT LIMITATION THE TERMS AND CONDITIONS OF CONTRACT STATED HEREIN.**

2. Vendor Representations and Certifications.

Vendor represents and certifies the following:

- (a) The individual submitting this form is authorized to sign the response on Vendor's behalf and has actual legal authority to bind Vendor to the solicitation's terms. Vendor acknowledges and agrees that electronic signatures or digital signatures shall have the same legal effect as a handwritten signature.
- (b) Vendor's response is made without prior understanding, agreement, or connection with any other vendor submitting a response to the solicitation regarding either vendor's response, and is in all respects fair and without collusion or fraud.
- (c) Vendor is neither delinquent in payment of any taxes, fees, fines, contractual debts, judgments, or any other debts due and owed to the County, nor in default of any contractual or regulatory obligation to the County.
- (d) No owner, principal, officer, director, or member of Vendor is or was an owner, principal, officer, director, or member in any other firm that was suspended or debarred from doing business with Broward County within the last three (3) years, unless otherwise noted in Vendor's response.
- (e) All statements, oral, written or otherwise, in Vendor's response are accurate, true, and correct. Vendor acknowledges that inaccurate, untruthful, or incorrect statements made in its response may be used by the County as a basis for rejection; rescission of contract award; or termination of the contract; and may also serve as the basis for suspension and/or debarment of Vendor pursuant to the Procurement Code.

(f) Vendor represents and warrants that it possesses the knowledge, skill, experience, and financial capability required to provide and perform all goods and services required under the solicitation and that each person and entity that will provide goods or services is duly qualified to perform such services by all appropriate governmental authorities, where required, and is sufficiently experienced and skilled in the area(s) for which such person or entity will render such goods or services.

B. TERMS AND CONDITIONS OF THE SOLICITATION

1. Responses.

Vendors' responses must be submitted electronically through the County's designated electronic bidding system ("EBS"). It is Vendor's sole responsibility to assure its response is submitted and received through the EBS by the date and time specified in the solicitation. The County will not consider responses received by other means or after the time that solicitations are due. All timeframe references are in Eastern Time. The official time for electronic submittals is the EBS's servers, as synchronized with the atomic clock. Any response that seeks to modify or take exception to the official time shall be deemed nonresponsive.

The County is a public agency subject to Chapter 119, Florida Statutes. Unless otherwise expressly approved in advance in writing by the Purchasing Division, any material submitted in the Vendor's response will become a public document available for public inspection and copying pursuant to Section 119.071, Florida Statutes, and any claim of confidentiality or trade secret is waived with respect to any and all information included in the Vendor's response.

2. Withdrawal.

Unless otherwise expressly permitted under the Procurement Code, Vendors may not withdraw their responses after the deadline for responses to the solicitation before the expiration of 120 days after the date of opening responses to the solicitation. Any response that seeks to modify or take exception to this provision shall be deemed nonresponsive. Violation of this section may subject Vendor to suspension or debarment, and shall entitle the County to execute on Vendor's posted bid security.

3. Bid Opening (Invitations to Bid only).

All responses to Invitations to Bid shall be publicly opened in the public domain or as otherwise designated in the solicitation. The Purchasing Division will decrypt responses received in the EBS immediately following the deadline for bid responses.

4. Cancellation of Bids.

The Director of Purchasing may cancel a solicitation at any time before the deadline for responses.

5. Addenda.

The County reserves the right to amend this solicitation prior to the deadline for Vendor responses by issuing written addenda to the solicitation. If, upon review, a Vendor finds a non-clerical error in an addendum, that Vendor must contact the Purchasing Division immediately, prior to opening date, to allow the County to review the alleged error and to issue any clarification, if the County determines that a clarification is necessary. Responding vendors shall be responsible for obtaining and reviewing each addendum prior to the deadline for submission of responses to the solicitation. The terms of all addenda are included in the Terms and Conditions of the Solicitation.

6. Prices, Terms, and Payments.

All solicitation responses must include firm prices, which must include all handling, set up, shipping, and inside delivery charges to the destination specified in the solicitation, unless otherwise indicated in the solicitation.

(a) **Certification of Prices:** In submitting its response to this solicitation, Vendor certifies that the prices it is proposing are not higher than the prices at which Vendor sells the same goods and/or services in approximately similar quantities, under similar terms and conditions, to any other purchaser.

(b) **F.O.B. Destination:** Unless otherwise specified, prices shall be provided as F.O.B. Destination, with freight, fuel, and all other costs included.

(c) **Ties:** When two or more responding Vendors offer the same pricing, the Purchasing Division will break the tied responses in accordance with the applicable provisions of the Procurement Code.

(d) **Taxes:** The County is exempt from federal and Florida taxes on direct purchases of tangible property. The County's tax exemption number will appear on the County's purchase order. Vendor must pay all applicable sales, consumer, land use, or other similar taxes required by law.

(e) **Discounts:** Vendors may offer a cash discount for prompt payment, but such discounts will not be considered in determining the lowest net cost for evaluation purposes unless otherwise stated in the solicitation. In order to be considered for evaluation purposes, Vendors must reflect any applicable discounts in the unit prices submitted in their responses.

(f) **Mistakes:** Vendors are cautioned to examine all specifications, drawings, delivery instructions, unit prices, extensions, and all other special conditions pertaining to this solicitation. Failure to examine all pertinent documents shall not entitle vendors to relief from any provision or any requirement of this solicitation. Mathematical errors, other than in unit prices, may be deemed clerical errors and are subject to correction by the County at the County's sole discretion. If there is a mistake in the extension price (i.e., unit price multiplied by quantity), the unit price shall govern.

(g) **Ordering:** The County reserves the right to purchase the goods/services specified in the solicitation through contracts established by governmental agencies, consortiums, or other approved cooperatives, or through separate procurement actions conducted by the County. In addition, if the County requires delivery within a shorter period than the delivery time specified in the solicitation, and if the Contractor is unable to deliver by that time, the County may obtain such delivery from other sources without penalty or prejudice to the County. This solicitation is not for a requirements contract, and the County is not required to fulfill all of its needs for the goods/services at issue exclusively from the Contractor.

7. Awards.

If a specific basis of award is not established in the Special Instructions to Vendors, the award shall be to the lowest, responsive, and responsible Vendor. The County reserves the right to make separate award(s) to one or more Vendors for individual goods/services, groups of goods/services, or all or none or any combination thereof. When a group of goods/services is specified in the solicitation, Vendor must include prices for all items within the group in its response.

A Vendor desiring to offer "No Charge" on an item in a group of goods/services must so indicate by placing a \$0.00 in the offer field for that item, and enter "No Charge" in the "Notes for Buyer" section in the EBS. If a Vendor does not comply with these requirements, its response with respect to that group of goods/services will be deemed incomplete and may be rejected. However, if Vendor(s) do not offer all items within a group, the County may issue an award on one or more items on an item-by-item basis. When a group is indicated for variable quantities and the group shows evidence of unbalanced prices, such solicitation response may be rejected. The Director of Purchasing, or the Broward County Board of County Commissioners, whichever is applicable, reserves the right to waive technicalities and irregularities and to reject any or all responses.

8. Qualifications of Vendors.

The County will only award a contract to a Vendor that is normally engaged in providing the types of commodities, services, or construction specified herein. Responding Vendors must have adequate organization, facilities, equipment, and personnel to ensure prompt and efficient service to the County. The County reserves the right to inspect Vendor's facilities, equipment, personnel, and organization, or to take any other action necessary to determine Vendor's ability to perform in accordance with the solicitation's specifications, terms, and conditions. The County will determine whether the evidence of ability to perform is satisfactory, and reserves the right to reject responses and/or find any responding vendor non-responsible where evidence or evaluation is determined to indicate insufficient capacity or ability to perform. The County may also consider a responding Vendor's history of any and all types of

citations, orders, judgments, and/or violations, including those relating to suspensions, debarments, or environmental regulations, in determining responsibility. Responding Vendors must submit with their response a complete history of all citations and/or violations notices and dispositions thereof. Failure of the successful Vendor to submit such information may be grounds for rejection of Vendor's response or termination of Vendor's contract. Vendor shall notify the County immediately of notice of any citations, orders, judgments, or violations not included in Vendor's response that occur at any time period prior to expiration of the contract.

9. Affiliated Companies Entities of the Principal(s).

To ensure Vendor has the capability to fully perform the contract requirements, as well as the integrity and reliability that will ensure good faith performance, each Vendor must disclose in its response the names and addresses of entities with whom the principal(s) of Vendor have been affiliated at any time in the five (5) years preceding the date the solicitation was posted. Affiliated entities of the principal(s) are those entities related to Vendor by the sharing of stock or other means of control, including but not limited to a subsidiary, parent, or sibling entity.

10. Resolution of Protested Solicitations and Proposed Awards.

In accordance with Sections 21.65 through 21.67 of the Broward County Procurement Code, if a Vendor intends to protest a solicitation or proposed award of a contract the following shall apply:

(a) Any protest concerning the solicitation's specifications or requirements (or any addendum thereto) must be received by the County within five (5) business days after the solicitation or addendum is posted on the EBS.

(b) Any protest concerning a proposed award or ranking must be received by the Director of Purchasing within five (5) business days after the proposed award or ranking is posted on the EBS.

(c) The protest must be made in writing to the Director of Purchasing, and must specify the grounds for protest in accordance with Section 21.66 of the Procurement Code.

(d) For purposes of this section, a business day is defined as Monday through Friday between 8:30 a.m. and 5:00 p.m., except County holidays. Failure to timely file a protest within the timeframes specified shall constitute a waiver of the right to protest.

(e) As a condition of initiating any protest, the protestor shall present the Director of Purchasing with a filing fee. The filing fee shall be calculated based on the estimated contract amount. For purposes of the protest, the estimated contract amount shall be the contract amount submitted by the protestor. If no contract amount was submitted, the estimated contract amount shall be the County's estimated contract price for the project. The County will accept money order, certified check, or cashier's check, payable to Broward County Board of County Commissioners. The filing fee will be refunded if the protestor prevails in the protest. The filing fees are as follows:

Estimated Contract Amount	Filing Fee
Mandatory Bid Amount up to \$250,000	\$500
\$250,001 - \$500,000	\$1,000
\$500,001 - \$5 million	\$3,000
Over \$5 million	\$5,000

11. Public Entity Crimes & Public Business Discrimination.

Vendor represents that the submission of its response to this solicitation does not violate the Public Entity Crimes Act, Section 287.133, Florida. Vendor represents that it has not been placed on the "discriminatory vendor list" as provided in Section 287.134, Florida Statutes, and that it is not a "scrutinized company" pursuant to Section 215.473, Florida Statutes. Vendor represents and certifies that it is not ineligible to contract with the County on any of the grounds stated in Section 287.135, Florida Statutes. Violation of this section shall result in cancellation of Vendor's contract, and may result in suspension and/or debarment.

12. Prohibited Telecommunications Equipment.

Vendor represents and certifies that it and its applicable subcontractors do not use any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, as such terms are used in 48 CFR §§ 52.204-24 through 52.204-26.

Vendor represents and certifies that, if awarded this solicitation, Vendor and its applicable subcontractors shall not provide or use such covered telecommunications equipment, system, or services for the duration of any contract resulting from this solicitation.

13. Criminal History Screening Practices.

By submission of its response to this solicitation, Vendor represents and certifies that it has implemented, or will implement upon award of the contract, policies, practices, and procedures regarding inquiry into the criminal history of an applicant for employment, including a criminal history background check of any such person, that preclude inquiry into an applicant's criminal history until the applicant is selected as a finalist and interviewed for the position.

14. Construction Apprenticeship Program (Construction Contracts only).

If the solicitation is for a construction contract as defined in Section 26-9 of the Broward County Code of Ordinances, Vendor represents and certifies that it shall comply for the duration of the contract, if awarded, with Sections 26-8 through 26-11 of the Broward County Code of Ordinances regarding the Construction Apprenticeship Program.

15. State of Florida Division of Corporations Requirements.

Vendor must comply with all state and local business licensing requirements. All corporations, partnerships, and other business entities must have the authority to transact business in the State of Florida and must be in good standing with the Florida Secretary of State before responding to this solicitation. For further information, contact the Florida Department of State, Division of Corporations. A Vendor that does not comply with the provisions of this section may be deemed nonresponsive to the solicitation.

16. Cone of Silence Ordinance (Invitations to Bid).

The Cone of Silence Ordinance, Section 1-266, Broward County Code of Ordinances, provides that for certain time periods, Vendors and their representatives may not communicate regarding the solicitation with any County Commissioner or their staff, the County Administrator, Deputy County Administrator, Assistant County Administrator, Assistants to the County Administrator, their respective support staff, or any staff person that will evaluate solicitation responses or recommend selection in this solicitation process. However, Vendors may communicate with a representative of the Office of Economic and Small Business Development ("OESBD") (telephone (954) 357-6400) at any time regarding a solicitation or regarding participation of Small Business Enterprises or County Business Enterprises in a solicitation. The Cone of Silence also permits communication with certain other County employees (for more information, refer to Section 1-266, Broward County Code of Ordinances).

(a) The Cone of Silence shall be in effect for any County Commissioner or the Commissioner's staff, commencing at the time of the opening of responses to the solicitation.

(b) The Cone of Silence shall be in effect for the County Administrator, Deputy County Administrator, Assistant County Administrator, Assistants to the County Administrator, their respective support staff, and any person that will evaluate solicitation responses or recommend selection in this solicitation process, commencing at the time of advertisement for the solicitation.

(c) The Cone of Silence terminates when the County Commission or other awarding authority takes action that concludes the solicitation.

(d) Any violations of the Code of Silence Ordinance by any representative of Vendor, including owner, employee, consultant, lobbyist, or actual or potential subcontractor or subconsultant, may be reported to the County's Office of Professional Standards. If the Office of Professional Standards determines that a violation has occurred, a fine shall be imposed against Vendor as provided in the Broward County Code of Ordinances. Additionally, a determination of violation shall render any award to a Vendor who is found to have violated the Cone of Silence Ordinance voidable, at the sole discretion of the Broward County Board of County Commissioners.

17. Contingency Fees.

By submission of this solicitation response, Vendor certifies it has not paid and will not pay any contingency fees (sometimes known as a finder's fee) to any person or organization, other than a bona fide employee working solely for Vendor, to secure a contract made pursuant to this solicitation. Violation of this policy may result in termination of any resultant contract and/or possible suspension and/or debarment of Vendor. This provision does not apply to fees paid to an insurance broker in connection with a solicitation to provide insurance coverage to the County.

18. Local Business Tax Receipt Requirements.

All Vendors maintaining a business address within Broward County must have a current Broward County Local Business Tax Receipt issued by the Broward County Records, Taxes and Treasury Division prior to recommendation for award. Vendors that do not have such a license may be deemed nonresponsive to this solicitation. For further information on obtaining or renewing a Local Business Tax Receipt, contact the Records, Taxes and Treasury Division at (954) 357-6200.

19. Dun & Bradstreet Report Requirement.

The County may review any Vendor's Dun & Bradstreet rating and payment performance to assist in determining a Vendor's responsibility regarding this solicitation.

20. Samples.

Samples or drawings, when required, shall be provided to the County free of charge. If not mutilated or destroyed in the examination, Vendor will be notified to remove same at their expense. If samples are not removed within thirty (30) calendar days after written notice to Vendor, they shall be considered as abandoned, and the County shall have the right to dispose of them as its own property.

21. "Or Equal" Clause.

Whenever a material, article or piece of equipment is identified in the solicitation by reference to a manufacturer or vendor name, trade name, catalog number, or otherwise, any such reference is intended merely to establish a standard; and, unless such identification is followed by the words "no substitution is permitted," any material, article, or piece of equipment of any other manufacturer or vendors that will perform or serve the requirements of the solicitation will be considered equally acceptable, provided that the material, article, or piece of equipment so proposed is, in the sole opinion of the County, equal in substance, quality, and function to the material, article, or piece of equipment specified in the solicitation.

22. Procurement Code.

The Procurement Code, Chapter 21 of the Broward County Administrative Code, is applicable to this solicitation, and can be obtained from the Purchasing Division's website at: www.broward.org/purchasing.

23. Legal Requirements.

Applicable provisions of all federal, state, and local laws, ordinances, rules, and regulations, including the Procurement Code, shall govern development, submittal, and evaluation of responses to this solicitation, and shall govern any and all claims and disputes that may arise between Vendor(s) and the County or its officers, employees, and/or authorized representatives. Lack of knowledge by any Vendor of any applicable law, rule, or regulation shall not constitute a recognizable defense against the legal effect thereof.

C. TERMS AND CONDITIONS OF CONTRACT

1. Contract Period.

The contract period shall start and terminate as indicated in the solicitation's Special Instructions to Vendors. If no contract period is stated in the Special Instructions to Vendors, the contract period shall start upon the date of award and end three (3) years later, unless extended by the Director of Purchasing, who may extend the contract period for up to two (2) additional one (1) year terms upon written notice to Contractor at least thirty (30) days prior to the expiration of the then-current term. The contract period shall not exceed a total of five (5) years, unless extended pursuant to action by the Broward County Board of County Commissioners. The continuation of this contract beyond the end of any County fiscal year is subject to both the appropriation and the availability of funds in accordance with Chapter 129, Florida Statutes.

Contractor shall be compensated for such continued contract performance at the rate in effect when the Director of Purchasing directed Contractor to continue performance beyond the contract expiration date.

2. Orders and Quantities.

Unless the solicitation states a fixed quantity to be purchased, no guarantee is expressed or implied as to the total quantity of goods/services to be purchased under any open-end contract. Solicitations for open-end contracts may state estimated quantities, but such estimated quantities are not a representation of the amount to be purchased. The County reserves the right to issue purchase orders on this solicitation as and when required; or issue a blanket purchase order for individual agencies and release partial quantities; or issue instructions for use of direct purchase orders by various County agencies; or do any combination of the foregoing. No delivery shall become due or be acceptable without a written purchase order and shipping instruction by the County, unless otherwise expressly provided in the solicitation. For solicitations stating fixed quantities, purchase order(s) for the quantities stated in the solicitation will be issued to the Contractor after notification of award and receipt of all required documents. The County may order additional quantities of up to an additional twenty percent (20%) of the originally specified quantities at any time prior to the expiration of one (1) year after the date of award; if so ordered by the County, Contractor must furnish such additional quantities at the same prices, terms, and conditions as stated in the solicitation.

Contractor must pay subcontractors and suppliers within fifteen (15) days following receipt of payment from the County for such subcontracted work or supplies. The certification shall be accompanied by a copy of the notification sent to each unpaid subcontractor listed on the form, if any, explaining the good cause why payment has not been made to that subcontractor.

The County shall pay for all goods and services received and accepted by the County in accordance with the Local Government Prompt Payment Act, Section 218.70, Florida Statutes, and the Prompt Payment Policy, Section 1-51.6, of the Broward County Code of Ordinances. In the event the contract is terminated for convenience, Contractor shall be paid for any goods properly delivered and services properly performed to the date the contract is terminated. In no event will payment be made for lost or future profits or damages for Contractor's reliance on continued performance of the contract beyond the date of termination for convenience. Contractor acknowledges and agrees that it has received good, valuable, and sufficient consideration from the County for the County's right to terminate this contract for convenience, the receipt and adequacy of which are hereby acknowledged.

Any items not removed by Contractor within thirty (30) days after the County's notice of rejection shall be considered abandoned, and the County may dispose of them in any manner it sees fit. The County shall not be required to give written notice of rejection with respect to foodstuffs or medication. With respect to foodstuffs and medication, the County may provide verbal notification of rejection, in response to which Contractor must immediately remove and replace the rejected goods at its sole expense. Summary of Vendor Rights Regarding Broward County Competitive Solicitations

The purpose of this document is to provide vendors with a summary of their rights to object to or protest a proposed award or recommended ranking of vendors in connection with Broward County competitive solicitations. These rights are fully set forth in the Broward County Procurement Code, which is available here: <https://www.broward.org/purchasing>.

1. Right to Object

The right to object is available for solicitations conducted through Requests for Proposals ("RFPs"), Requests for Letters of Interest ("RLIs"), or Requests for Qualifications ("RFQs"). In such solicitations, vendors may object in writing to a proposed recommendation of ranking made by an Evaluation Committee. Objections must be filed within three (3) business days after the proposed ranking is posted on the Purchasing Division's website. The contents of an objection must comply with the requirements set forth in Section 21.42(h) of the Procurement Code. Failure to timely and fully meet any requirement will result in a loss of the right to object.

2. Right to Protest

The right to protest is available for RFPs, RLIs, or RFQs and in solicitations conducted through Invitations to Bid ("ITBs") with a value equal to or greater than the Mandatory Bid Amount (i.e. \$100,000). In RFPs, RLIs, or RFQs, vendors may protest a proposed ranking made by an Evaluation Committee. In ITBs, vendors may protest a proposed award.

In all cases, protests must be filed in writing within five (5) business days after a proposed award or ranking is posted in Purchasing Division's website. Additional requirements for a protest are set forth in Part X of the Broward County Procurement Code. Failure to timely and fully meet any requirement will result in a loss of protest rights.

Vendors may appeal the denial of a protest. Appeals may require payment of an appeal bond. Additional requirements for an appeal are set forth in Part XII of the Broward County Procurement Code. Failure to timely and fully meet any requirement will result in a loss of appeal rights.

3. Cone of Silence: Right to Contact OESBD

Please be aware that a Cone of Silence remains in effect for competitive solicitations until a solicitation is completed or a contract is awarded. During that time period, vendors may not contact certain County officials and employees regarding a solicitation. Substantial penalties may result from even an unintentional violation. For further information, please contact the Purchasing Division at 954-357-6066 or refer to the Cone of Silence Ordinance which is available here: <http://www.broward.org/Purchasing/Documents/ConeofSilence.pdf>

Vendors may communicate with a representative of the Office of Economic and Small Business Development ("OESBD") at any time regarding a solicitation or regarding participation of Small Business Enterprises or County Business Enterprises in a solicitation. OESBD may be contacted at (954) 357-6400. The Cone of Silence also permits communication with certain other County employees (please see the Cone of Silence Ordinance at the above link for further details).
