#### 4. TERM

4.1 Term. The Addendum shall become effective on the date it is fully executed by the Parties (the "Effective Date"). The term of the Addendum shall continue for the remaining duration of the BSO Contract (including extensions thereto) or until the fifth anniversary of the Effective Date, whichever is earlier, unless terminated earlier; however, for any purchase orders issued before termination or expiration of the BSO Contract or this Addendum, this Addendum shall survive until the applicable Services have been delivered and accepted by County.

4.2 Fiscal Year. The continuation of this Addendum beyond the end of any County fiscal year shall be subject to both the appropriation and the availability of funds, in accordance with Chapter 129, Florida Statutes.

#### 5. COMPENSATION

*Please do not have service or repairs performed on your vehicle by anyone other than AEV personnel without contacting AEV for prior approval.*

*AEV does not warrant service or repairs by unauthorized persons, and work performed without authorization will not be paid for by AEV. In addition to voiding your warranty, unauthorized work may delay the professional factory-trained service you need, and which we want you to have, as an Emergency Medical Service Provider.*

## Warranty Claims

The Ambulance Conversion elements of your vehicle are covered by **AEV** under our Warranty, a copy of which is included in this book. If you have a problem with your vehicle, and you feel the problem is related to the Conversion, please contact us at once to arrange for service. Our Toll-Free service number is 800-374-9749 or warranty@aev.com. When contacting for warranty claim, we will need the following information to speed up your service.

- Vehicle Identification Number (VIN)
- **AEV** Job Number
- Date you took delivery of your vehicle
- Description of the problem
- Names and phone numbers of your people we should contact about the problem
- Your own name and phone number

If you have problems with your on-board equipment, including such items as warning systems, suction apparatus, inverter, battery charger, etc., contact **AEV** as shown above. If the problem is related to our installation, we will arrange for its correction. If the problem is with equipment covered by an original manufacturer's warranty, we will assist you in contacting that manufacturer's service network for the repair or exchange of the equipment.

Problems relating to the chassis, including engine, alternator, drive train, exhaust system, fuel system, body construction, and all other factory original equipment, should be directed to the chassis manufacturer's service network, starting with the local dealer.

Tires are warranted by the tire manufacturer, and any tire problems should be referred to the original manufacturer's service network.

If you have trouble getting service for your chassis or tires, you may contact **AEV** at the number given above, and we will assist you in dealing with the original manufacturer.

If you need repair or replacement of a warranted product or component at a location other than the **AEV** plant, *contact our Warranty Department for authorization before you have any work done.* **AEV** is not liable for any unauthorized work performed by non-**AEV** personnel, and such work may void your warranty. You can get authorization either:

- 1) in writing, from our Warranty Department, or
- 2) by phone or FAX from our Warranty Department, with an Authorization Number assigned.

After you get authorization for repairs, **AEV** will need the information requested on the attached Warranty Claim Form to reimburse you for your expenses covered by warranty.

## *Original Manufacturer's Listing*

*(for equipment and accessory warranty service)*

If you have a problem with on board equipment, and the problem is with the equipment itself, not AEV's installation, for fastest response, call the original manufacturer first!

The original manufacturers provide the warranty support for their products. If you call AEV, we will forward your request to the original manufacturer, and that process will only delay the service you need. The list below includes some (but not necessarily all) of the manufacturers of your on-board equipment. If you do not find the name you need in the list, our Service Department can help you contact the original manufacturer.

AEV warrants only the installation of purchased equipment. If we put it in wrong, we will fix that. We did not build the installed equipment, and may not have the expertise to provide professional service for it. If the problem is with the equipment itself, the people who made it know best how to fix it and can give you the most efficient service.

### ***AEV Modular Body Warranty***

**American Emergency Vehicles (AEV)** warrants to the owner of each **AEV** modular vehicle body that, for a period of twenty (20) years following the date of delivery of the body, **AEV** will repair or replace, at **AEV**'s option, body elements or components which fail because of structural defects relating to material or workmanship, with the provision that **AEV** shall not be liable for an amount greater than the remaining value of the body at the time of the claim.

**AEV** shall not be responsible for cost incurred by the owner for correction of deficiencies covered by this warranty unless express authorization for such expenses has been granted in writing by **AEV**. Gratuitous settlements by **AEV** of alleged defects not within the scope of this warranty do not constitute admissions of warranty coverage, nor impose an obligation on **AEV** to make any such settlements.

This warranty applies only to the original buyer and is valid only as long as the body is mounted on the original chassis, unless the body has been remounted by **AEV** or by an authorized agent of **AEV**. This warranty is accepted by the buyer in lieu of all other warranties express or implied, including, but not limited to, any implied warranty of merchantability or purpose, and of all other obligations or liabilities on the part of **AEV**. Responsibility for the fulfillment of the warranty by **AEV** will be limited to the express terms of this warranty statement.

Oral statements made by agents of **AEV** do not constitute warranties and shall not be relied upon as such by the buyer.

In no event shall **AEV** be liable for any expenses, anticipated profits, damages, or any other losses incurred by the buyer in connection with the purchase, use or resale of **AEV** bodies.

#### **CONDITIONS:**

- A. This warranty is valid only if in the United States of America and this **AEV** product is sold without any warranty, express or implied, if used or sold outside the United States.
- B. **AEV** reserves the right to make changes in design or improvements to its products or parts thereof without obligation to make or install such changes in any previously built product.
- C. **AEV** neither assumes nor authorizes any person to assume for it any obligation or warranty other than that stated in this warranty.
- D. Repair or replacement of any parts or products under this warranty by **AEV** shall not extend this warranty beyond the original warranty period.
- E. **AEV** does not warrant the workmanship of customer-negotiated installers or repairers and will not bear any cost occasioned by faulty or incorrect installation, or damage by non-**AEV** personnel.
- F. **AEV** shall not be liable for any loss of time, labor, equipment rental, lost profits, or other consequential damages of any kind whatsoever in connection with the sale and use of its products.
- G. **AEV** shall not be liable for the cost of transportation in connection with warranty claims. **AEV** warrants only the actual labor and parts required for repair or replacement. Under no circumstances will **AEV** reimburse mileage or expenses incurred traveling to or from such repair or replacement.
- H. Unless repaired by **AEV** Field Service Technicians in the field or by an authorized **AEV** Service Center, any product or component thereof accepted for repair under warranty must be returned to the **AEV** plant in Jefferson, North Carolina, for the performance of such repair.

### AEV Seven Year Conversion Warranty

**American Emergency Vehicles (AEV)** warrants to the owner of each vehicle that all items of **AEV's** manufacture will be free from defects in material and workmanship for a period of seven (7) years / 70,000 miles, whichever shall occur first. The warranty shall begin on the date such vehicle is delivered to the first purchaser. During this warranty period, **AEV** will remedy by repair or replacement, at **AEV's** option, any item of **AEV's** manufacture which **AEV's** inspection determines to be defective in materials or workmanship. Such repair or replacement will be performed either at the **AEV** plant or by **AEV** Field Service Technicians in the field, or by an **AEV** authorized regional Service Center, at **AEV's** option.

All warranty claims must be submitted to and approved by **AEV** prior to repair.

**Exclusions from warranty:** This warranty shall not apply to:

- A. Any parts or products becoming defective as the result of the Owner's negligence, accident, or other casualty.
- B. Defects or failure resulting from Owner's failure to provide normal maintenance, such as (but not limited to) lubrication, tightening belts and bolts, cleaning coils, loss of refrigerant, drier replacement, improper voltage or electrical connections as a result of field installations.
- C. Improper repairs, alterations or installations performed by persons or firms other than **AEV**.
- D. Operation in a manner contrary to normal emergency vehicle usage.
- E. Any component that carries the warranty of another manufacturer or which is manufactured by another manufacturer. **AEV's** sole responsibility regarding such items shall be to pass on any existing manufacturer's warranty to the purchaser. For example, the chassis is not of **AEV's** manufacture, nor are certain other components such as (but not limited to) tires, sirens, lights, cot mounts, accessories and equipment. The modular body is covered under a separate Modular Body Warranty.

This warranty does not apply to any portion of the truck or chassis not directly included in the process of alteration. The process of alteration includes all materials added to and work accomplished on the original chassis by **AEV**, such as modification, alteration or moving or any OEM equipment.

**AEV** reserves the unrestricted right at any time and from time to time to make changes in the design of and/or improvements on its products without thereby imposing an obligation on itself to make corresponding changes or improvements in or on its previously manufactured products.

The foregoing warranty is completely void if the body, chassis and/or truck has sustained damages as the result of a wreck, abuse or other occurrence which would leave permanent latent defects, or if the **AEV** serial number has been removed. Normal use and service under the terms of this warranty shall specifically exclude the use of the vehicle beyond its gross vehicle weight rating (GVWR) as defined under the National Traffic and Motor Vehicle Safety Act or other applicable law.

The buyer shall contact the Warranty Department of **AEV**, 165 American Way, Jefferson, NC 28640, 336-846-8010, for authorization for correction of all deficiencies covered by this warranty.

#### CONDITIONS:

- A. This warranty is valid only in the United States of American and this **AEV** product is sold without any warranty, express or implied, if used or sold outside the United States.
- B. **AEV** reserves the right to make changes in design or improvements to its products or parts thereof without obligation to make or install such changes in any previously built product.
- C. **AEV** neither assumes nor authorizes any person to assume for it any obligation or warranty other than that stated in this warranty.
- D. Repair or replacement of any parts or products under this warranty by **AEV** shall not extend this warranty beyond the original warranty period.
- E. **AEV** does not warrant the workmanship of customer-negotiated installers or repairers and will not bear any cost occasioned by faulty or incorrect installation, or damage by non-**AEV** personnel.
- F. **AEV** shall not be liable for any loss of time, labor, equipment rental, loss profits or other consequential damages of any kind whatsoever in connection with the sale and use of its products.
- G. **AEV** shall not be liable for the cost of transportation in connection with warranty claims. **AEV** warrants only the actual labor and parts required for repair or replacement. Under no circumstances will **AEV** reimburse mileage or expenses incurred traveling to or from such repair or replacement.
- H. Unless repaired by **AEV** Field Service Technicians in the field or by an authorized **AEV** Service Center, any product or component thereof accepted for repair under warranty must be returned to the **AEV** plant in Jefferson, North Carolina, for the performance of such repair.

To Whom it may concern

I have had business dealings with ETR (Jerry Michaluk) for the past 9 years or so ordering both new and vehicles and doing remounts for us. We have found him to be very accommodating and professional in both situations. He's communication and interest in customer satisfaction is superior. You will be very pleased.

Notwithstanding the foregoing or any other provision within the solicitation and/or Contract Document to the contrary, the Broward Sheriff's Office has a right to claim an anticipatory breach of the contract by Vendor/Contractor and can demand assurance of performance at any time and if said assurance of performance from Vendor/Contractor is inadequate, the Broward Sheriff's Office at its sole discretion may immediately impose the remedy of substitute performance described herein without tendering any further notices to Vendor/Contractor.

Awarded Proposer shall preserve and make available, at reasonable times for examination and audit by SHERIFF, all financial records, supporting documents, statistical records, and any other documents pertinent to resulting Agreement for the required retention period of the Florida Public Records Act (Chapter 119, Fla. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida Public Records Act is determined by SHERIFF to be applicable to Awarded Proposer's records, Awarded Proposer shall comply with all requirements thereof; however, no confidentiality or non-disclosure requirement of either federal or state law shall be violated by Awarded Proposer. - 1.20 Test Period: The following Test Period provisions apply to all RLIs. In the event the RLI is for the procurement of both service(s) and product(s), the service(s) and product(s) offered by Vendor must **both** be accepted by the Broward Sheriff's Office (BSO.)

#### **Test Period - Services**

BSO reserves the right to require a test period to determine if the Vendor can perform services in accordance with the requirements of the RLI, and to BSO's satisfaction, in its sole and absolute discretion. Such test period can be from thirty to ninety days and will be conducted under all specifications, terms and conditions contained in the RLI. If accepted by BSO, this trial period will then become part of the initial term as specified in the RLI.

A performance evaluation, the form of which will be at BSO's sole and absolute discretion and not the subject of a protest, will be conducted prior to the end of the test period and that evaluation will be the basis for BSO's decision to continue with the Vendor or to select another Vendor (if applicable).

## Test Period - Product

If the Vendor is offering an equivalent product, BSO reserves the right to require a test period to determine if the product meets the requirements of the RLI specifications and to BSO's satisfaction, in its sole and absolute discretion. Such test period can be from thirty to ninety days and will be conducted under all specifications, terms and conditions contained in the RLI. If accepted by BSO, this trial period will then become part of the initial term as specified in the RLI.

A performance evaluation, the form of which will be at BSO's sole and absolute discretion and not the subject of a protest, will be conducted prior to the end of the test period and that evaluation will be the basis for BSO to continue with the Vendor or to select another Vendor (if applicable).

## **SECTION TWO** **RLI PROCEDURES**

- 2.1 **SELECTION/NEGOTIATION PROCESS:** It is anticipated, but not required, that the RLI process will proceed in the following manner: A Selection Committee (SC) will be responsible for recommending the most qualified Proposer(s) with whom to begin negotiation of an agreement(s) for this project or to recommend rejection of all proposals or portions of proposal(s). Technical staff participation serves purely in an information gathering capacity unless additional authority is delegated by the SC.
- 2.2 **CONE OF SILENCE:** This project is under a "Cone of Silence" starting with the issue date of this RLI through contract signing. Any violation of this provision may result in the associated Proposer being removed from consideration at BSO's sole discretion. A complete definition of the **Cone of Silence** is found on the website at: <http://www.sheriff.org> (Use search box in Upper Right of Screen and type in Lobbyist) - click on **Lobbyist Policy**. OR
- <http://www.sheriff.org> Click on Administration at bottom of page, click on Purchasing Bureau on right side of page, and go to Solicitations and click on **BSO Lobbyist Policy**.
- 2.3. **ACKNOWLEDGEMENT/REQUEST FOR INFORMATION AND/OR CLARIFICATION (S):**
- 2.3.1. If the Proposer is in doubt as to the meaning of any of the Proposal Documents, is of the opinion that the Conditions and Specifications contain errors or contradictions or reflect omissions, or has any question concerning the conditions and specifications, the Proposer shall submit a question for interpretation or clarification. BSO requires all questions relating to the solicitation be entered through the **"Ask a Question"** option tab available on the BidSync website. Responses to the questions will be provided online at [www.BidSync.com](http://www.BidSync.com). Such request must be received by the Question Deadline stated on BidSync.com. Questions received after the Question Deadline may not be answered. Interpretations or clarifications in response to such questions will be issued via BidSync. No change(s) or interpretation(s) shall be considered binding unless provided in writing in the form of an Addendum or in the "Ask a Question" section.

2.3.2. At its sole discretion, BSO may answer such inquiries by means of the "Ask a Question" tab or an addendum. In the event that an inquiry is made in which the explanation or clarification requires a substantial change to the specifications, a formal Addendum will be posted on BidSync. If any addendum is issued it shall be the responsibility of each Proposer, prior to submitting their response, to visit BidSync.com to determine if addenda were issued and to make such addenda a part of their proposal.

2.3.3. **Addenda Acknowledgement:** The Proposer shall be required to acknowledge receipt of any formal addenda by electronic acceptance thru BidSync. Failure to accept a formal addendum in its Proposal shall deem it non-responsive; provided, however, that BSO may waive this requirement in its best interest.

2.4. **ADDENDA:** In the event that an inquiry is made by potential Proposer(s) in which the explanation requires substantial change to the solicitation, a formal Addendum will be issued which will require acknowledgment by Proposer through BidSync.

2.5. **MANDATORY PRE-PROPOSAL MEETING AND SITE TOUR:** If applicable, mandatory pre-proposal meeting/site visit will be referenced in the Pre-Bid Section on BidSync.

2.6. **REVIEW OF PROPOSALS:** Each Proposer should submit documents that provide evidence of capability to provide the services required for this project. The Selection Committee, at its sole discretion will determine the responsiveness of a Proposal. Any non-responsive Proposal will be eliminated from further consideration. BSO reserves the right to accept or reject any or all Proposals, and/or waive irregularities and technicalities. BSO further reserves the right to take any other action that may be necessary or in the best interest of BSO; in proposals received; to request additional information, to exercise its discretion and to apply its judgment in all matters pertaining to the RLI. BSO further reserves the right to reject any or all proposals, with or without cause, to waive technical errors and informalities or to accept the proposals, which in its judgment, best serves BSO. BSO further reserves the right to cancel this RLI and re-solicit if determined to be in its' best interest. BSO's decision(s) in dispute resolution (s) will be final.

2.6.1 BSO, in its sole discretion, may shortlist and request oral presentations from each of the shortlisted Proposers. If presentations/interviews are deemed necessary by the SC, each short listed Proposer will be contacted to advise of the date and time for presentations/interviews. Proposers are cautioned that their submittal should be as complete as possible in the event that oral interviews are deemed not necessary.

2.6.2 Proposers are encouraged to offer concepts that are cost effective and will provide superior service while affording maximum benefit to BSO. The Broward Sheriff's Office will not consider oral/written communications after the due date of the RLI, except as otherwise set forth within this solicitation.

2.6.3 **PRESENTATIONS/INTERVIEWS:** The SC may provide a list of subject matters that must be discussed in the Proposer's presentation. Each short listed Proposer will be given equal time to make presentations, but the question-and-answer time may vary. In accordance with Florida Statute 286.0113, vendors'

oral Presentations are exempt from public meetings requirements. Protecting such meetings ensures that the process of responding to a competitive solicitation remains fair and equitable for vendors. The recommendation to begin negotiations with the selected Proposer will be made by the SC and submitted for approval to the appropriate BSO authorities. Selection of Proposer(s) is contingent upon the parties negotiating and executing a mutually acceptable agreement.

2.7. AWARD:

2.7.1 At BSO's sole discretion, BSO will award this RLI to the Proposer(s) that BSO determines is most qualified to perform the work.

2.7.2 Special conditions and scope of subsequent agreement(s) may vary as best serves BSO.

2.7.3 BSO reserves the right at BSO's sole discretion to waive irregularities and technicalities, postpone, accept or reject any and all proposals in whole or in part, and to cancel this RLI and re-solicit as is in BSO's best interest.

2.7.4 Withdrawal of Proposal: Any proposal may be withdrawn up until the solicitation closing date and time. Any proposals not withdrawn prior to closing date and time shall constitute an irrevocable offer for a period of 120 calendar days from the solicitation opening date. Proposers are cautioned to examine all terms, conditions, specifications, addenda, delivery instructions and other conditions pertaining to this solicitation. Failure of the Proposer to examine all pertinent documents shall not entitle Proposer to any relief from the conditions imposed in the RLI.

2.7.5 Open-End Contract:

2.7.5.1 No guarantee is express or implied as to the total quantity of units to be purchased under any open-end contract. Estimated quantities will be used for bid comparison purposes only. ## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at [www.irs.gov/fw9](http://www.irs.gov/fw9).

### Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Cat. No. 10231X

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

*If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See **What is backup withholding?** on page 2.*

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See **What is FATCA reporting?** on page 2 for further information.

Form **W-9** (Rev. 12-2014)

**Note.** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

**Foreign person.** If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

**Nonresident alien who becomes a resident alien.** Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

## Backup Withholding

2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

## What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

## Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

**Line 6**

Enter your city, state, and ZIP code.

**Enter your TIN in the appropriate box.** If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

<sup>2</sup> However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney reportable under section 6045(f), and payments for services paid by a federal executive agency.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at [www.ssa.gov](http://www.ssa.gov). You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/businesses](http://www.irs.gov/businesses) and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting [IRS.gov](http://IRS.gov) or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note.** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

#### **SCOPE OF SERVICES**

CONTRACTOR is hereby retained to provide to the SHERIFF the goods and services set forth in the Statement of Work, which is attached hereto as Exhibit \_\_\_ and incorporated herein.

CONTRACTOR and SHERIFF acknowledge that the Statement of Work may not delineate every detail and minor work task required to be performed by CONTRACTOR to complete the services and provide the deliverables contemplated herein. If, during the course of the performance of the services under this Agreement, CONTRACTOR determines that additional work should be performed to complete the Deliverables required, which is, in CONTRACTOR's opinion, outside the level of effort originally anticipated in the Statement of Work, CONTRACTOR shall notify the SHERIFF's Contract Administrator in writing in a timely manner. Upon receipt of such written notice, the SHERIFF's Contract Administrator will meet with CONTRACTOR to discuss the need for an amendment. No modifications will be made to this Agreement unless it is agreed to through a written amendment executed by both parties with the same formalities as set forth herein.

If CONTRACTOR proceeds with the additional work without a fully executed amendment, such work shall be deemed to be within the original Statement of Work.

#### **MANNER OF PERFORMANCE**

CONTRACTOR shall perform all services to the utmost professional standards.

The quality of CONTRACTOR's Deliverables provided to or on behalf of SHERIFF shall be comparable to the best local and national standards.

CONTRACTOR and SHERIFF shall perform their respective obligations under this Agreement pursuant to the Project Schedule, which is in the Statement of Work.

### **CONSIDERATION**

CONTRACTOR shall provide the Services contemplated herein at the hourly rates specifically described in Exhibit \_\_\_, which is attached and incorporated herein. The total consideration payable by the SHERIFF to CONTRACTOR (excluding reimbursables) shall not exceed \_\_\_\_\_ (\$ \_\_\_\_\_), unless otherwise approved in writing by the SHERIFF.

SHERIFF shall pay CONTRACTOR in accordance with the payment schedule set forth in Exhibit \_\_\_, which is attached and incorporated herein. CONTRACTOR shall submit all invoices to the SHERIFF's Finance Department, 2601 W. Broward Boulevard, Fort Lauderdale, Florida 33312, identifying the nature of the work performed, the total hours of work performed, and the employee performing same. Invoices shall itemize and summarize reimbursables by category and identify same as to the personnel incurring the

expense and the nature of the work with which such expense was associated. Where prior written approval by the SHERIFF's Contract Administrator is required for reimbursables, a copy of said approval shall accompany the billing for such reimbursable. When requested, CONTRACTOR shall provide backup for past and current invoices.

SHERIFF shall have the right to provide written objections to an invoice within seven (7) calendar days of SHERIFF's receipt of such invoice. If no objection is made within such seven (7) calendar day period, payment shall be made within fifteen (15) calendar days thereafter.

## **REIMBURSABLES**

Subject to the limitations set forth below, SHERIFF authorizes CONTRACTOR to incur reimbursable expenses, reasonable in amount and nature, which are directly attributable to the services to the performed by CONTRACTOR pursuant to this Agreement, subject to the limitations set forth in Section 112.061, Florida Statutes. At CONTRACTOR's option, all reimbursable expenses authorized herein shall be charged at no more than actual cost and subject to Section 112.061, Florida Statutes or at the per diem rate set forth in Section 112.061, Florida Statutes. The maximum sum which may be charged for reimbursable expenses under this Agreement is \_\_\_\_\_. Reimbursable expenses are further limited as follows:

This sum is not to be construed as a penalty.

For delays by SHERIFF in performing its obligations pursuant to this Agreement, including delays resulting from untimely review by SHERIFF, SHERIFF shall grant an extension to the above completion dates equal to the number of days in which CONTRACTOR was delayed by the SHERIFF. The above extension is conditioned upon the CONTRACTOR immediately notifying the SHERIFF of any delay in its timely performance as a result of a SHERIFF delay. Such delay notification shall be in writing and shall specify the manner and nature of the delay.

If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida Public Records Act is determined by SHERIFF to be applicable to CONTRACTOR's records, CONTRACTOR shall comply with all requirements thereof; however, no confidentiality or non-disclosure requirement of either federal or state law shall be violated by CONTRACTOR. Any violation of this provision may result in the associated Proposer being removed from consideration at BSO's sole discretion. BSO requires all questions relating to the solicitation be entered through the **"Ask a Question"** option tab available on the BidSync website. Responses to the questions will be provided online at [www.BidSync.com](http://www.BidSync.com). Such request must be received by the Question Deadline stated on BidSync.com. Proposers are cautioned that their submittal should be as complete as possible in the event that oral interviews are deemed not necessary.

- 2.6.2 Proposers are encouraged to offer concepts that are cost effective and will provide superior service while affording maximum benefit to BSO. The Broward Sheriff's Office will not consider oral/written communications after the due date of the RLI, except as otherwise set forth within this solicitation.

- 2.6.3 **PRESENTATIONS/INTERVIEWS:** The SC may provide a list of subject matters that must be discussed in the Proposer's presentation. ## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at [www.irs.gov/fw9](http://www.irs.gov/fw9).

### Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Cat. No. 10231X

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

*If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See **What is backup withholding?** on page 2.*

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See **What is FATCA reporting?** on page 2 for further information.

Form **W-9** (Rev. 12-2014)

**Note.** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

**Foreign person.** If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

**Nonresident alien who becomes a resident alien.** Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

## Backup Withholding

2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

## What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

## Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

## Specific Instructions

### Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

**Note. ITIN applicant:** Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester,

shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a

U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

**Line 2**

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

**Line 3**

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

**Limited Liability Company (LLC).** If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

<sup>1</sup> See Form 1099-MISC, Miscellaneous Income, and its instructions.

<sup>2</sup> However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney reportable under section 6045(f), and payments for services paid by a federal executive agency.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at [www.ssa.gov](http://www.ssa.gov). You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/businesses](http://www.irs.gov/businesses) and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note.** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

### **SUBCONTRACTORS**

CONTRACTOR may not subcontract the performance of its obligations set forth herein without the prior written approval of SHERIFF.

Prior to entering into any subcontract, CONTRACTOR will provide written notice to the SHERIFF identifying the name of the proposed subcontractor, the portion of the work which the subcontractor is to do, the place of business of such subcontractor, and such other information as may be required by the SHERIFF.

CONTRACTOR shall be fully responsible for all acts and omissions of its subcontractors and of persons directly or indirectly employed by its subcontractors to the same extent that CONTRACTOR is responsible for the acts and omissions of persons directly employed by it. Nothing in this Agreement shall create any contractual relationship between any subcontractor and SHERIFF or any obligation on the part of SHERIFF to pay or to see the payment of any monies due any subcontractor.

The provisions of this Agreement will apply to any subcontractors and their officers, agents and employees performing services pursuant to this Agreement as if it and they were employees of CONTRACTOR; and CONTRACTOR will not be in any manner thereby discharged from its obligations and liabilities hereunder, but will be liable hereunder for all acts and omissions of any subcontractor, its officers, agents, and employees, as if they were employees of CONTRACTOR.

CONTRACTOR will obligate its subcontractors to the same terms and conditions as set forth herein.

The SHERIFF shall have the right to withdraw its consent of any subcontract if it appears to the SHERIFF that the subcontract will delay, prevent, or otherwise impair the performance of CONTRACTOR's obligations under this Agreement. All subcontractors are required to abide by the non-disclosure provisions set forth herein. CONTRACTOR shall furnish to the SHERIFF copies of all subcontracts. Notwithstanding, the foregoing shall neither convey nor imply any obligation or liability on the part of the SHERIFF to any subcontractor hereunder.

### **INDEPENDENT CONTRACTOR**

The parties acknowledge that CONTRACTOR is an independent contractor, and nothing in this Agreement is intended nor shall be construed to create an agency relationship, an employer/employee relationship, a joint venture relationship, or any other relationship allowing SHERIFF to exercise control or direction over the manner or method by which CONTRACTOR or its subcontractor perform hereunder. SHERIFF shall neither have nor exercise any control or direction over the methods by which the CONTRACTOR shall perform its work and functions other than as provided in this Agreement. No party shall have the authority to bind the other or otherwise incur liability on behalf of the other, unless otherwise agreed to in writing

between CONTRACTOR and SHERIFF.

### **NON-DISCLOSURE**

CONTRACTOR's Confidential Information shall not be disclosed by SHERIFF to any third party except as permitted under this Agreement, or as required by law subject to compliance with the procedure set forth in this Article.

Except upon prior written approval of the SHERIFF and except as required by law, CONTRACTOR and its subcontractors shall not furnish or disclose to any person or organization, (a) any reports, studies, data, or other information provided by, or obtained from the SHERIFF in connection with the services performed under this Agreement, (b) any reports, studies, recommendations, data or other information relating to, or made or developed by CONTRACTOR or its subcontractors in the course of the performance of such Services hereunder, or (c) the results of any such services performed.

If either party is confronted with legal action or believes applicable law requires it to disclose any portion of the other party's information protected hereunder, that party shall promptly notify and assist the other (at the other party's expense) in obtaining a protective order or other similar order, and shall thereafter disclose only the minimum of the other party's Confidential Information that is required to be disclosed in order to comply with the legal action, whether or not a protective order or other order has been obtained.

The parties acknowledge that a breach of the provisions of this Article \_\_\_\_ will result in immediate irreparable harm to the aggrieved party, and the aggrieved party shall be entitled to immediate temporary, preliminary, and permanent injunctive or other equitable relief.

Information shall not be considered to be Confidential Information if it: (i) was independently developed by a party; (ii) becomes known to either party, without restriction, from a third party; or (iii) is required by law to be disclosed, subject to compliance with the procedure set forth below.

The provisions of this Article shall remain in full force and effect and enforceable even after the expiration of this Agreement.

### **WORK PRODUCT**

All work product and all deliverables provided by CONTRACTOR to SHERIFF shall be owned by SHERIFF, along with all proprietary rights pertaining thereto. This Agreement shall be considered to be a work for hire agreement. To the extent that this Agreement should be deemed to not be a work for hire agreement, CONTRACTOR agrees to, and hereby does, assign to SHERIFF all ownership and all other proprietary rights, including intellectual property rights, in and to all work product and Deliverables. CONTRACTOR agrees to execute any documents necessary to document such assignment. Additionally, CONTRACTOR shall acquire no rights in any property or information of SHERIFF or licensors of SHERIFF, except as otherwise expressly provided in this Agreement.

### **PAYMENT AND PERFORMANCE BOND**

CONTRACTOR shall provide to SHERIFF a One Hundred Percent (100%) performance and payment bond, in a form approved by the SHERIFF's Risk Management Division, executed by a surety insurer registered to do business in the State of Florida, subject to the approval of the Secretary of the State of Florida, to guarantee the faithful performance of this Agreement. This bond shall be kept in full force and effect throughout the life of this Agreement. The surety company must be rated no less than "A-" as to

management and no less than Class "VI" as to financial strength. The amount of the required bond shall not exceed five percent (5%) of the reported policy holders surplus as reported in the latest (1989 or later) edition of Best's Day rating Guide, published by Alfred M. Best Company, Inc.

### **PRESS RELEASE OR OTHER PUBLIC COMMUNICATION**

Without written consent of the SHERIFF, CONTRACTOR shall not:

- a. Issue or permit to be issued any press release, advertisement or literature of any kind which refers to the SHERIFF, or the work being performed hereunder, unless CONTRACTOR first obtains the written approval of the SHERIFF; and
- b. CONTRACTOR and its employees, agents, representatives, subcontractors and suppliers will not represent, directly or indirectly, that any of CONTRACTOR's products, goods or services have been approved or endorsed by the SHERIFF.

### **INDIVIDUALLY IDENTIFIABLE HEALTH INFORMATION and/or PROTECTED HEALTH INFORMATION**

CONTRACTOR shall comply with the Health Insurance Portability and Accountability Act ("HIPAA") and its implementing regulations, as applicable.

### **MISCELLANEOUS**

CONTRACTOR shall comply with all statutes, laws, rules, codes, ordinances, and regulations of any and all federal, state and local political bodies having jurisdiction over the services provided herein.

In the event either party brings an action against the other to enforce any conditions or covenant of this Agreement, the prevailing party in such action shall be entitled to recover the court costs and reasonable attorneys' fees in the judgment rendered in such action.

The preparation of this Agreement has been a joint effort of the parties and the resulting document shall not solely as a matter of judicial construction be construed more severely against one of the parties than the other.

The construction, validity and performance of this Agreement will be governed by the laws of the State of Florida, without regard to, or application of, choice of law rules or principles. Venue in any proceeding or action among the parties arising out of this Agreement shall be in Broward County, Florida.

In entering this Agreement, the parties represent that they have had a reasonable opportunity to seek and select legal advice and have relied upon the advice of their own legal representative, who is an attorney of their own choice, or have voluntarily chosen not to seek the advice of an attorney, and that the terms of this Agreement have been completely read and that those terms are fully understood and voluntarily accepted by them.

The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of the Agreement. All personal pronouns used in this Agreement shall include the other gender, and the singular shall include the plural, and vice versa, unless the context otherwise requires. Terms such as "herein", "hereof", "hereunder", and "hereinafter" refer to this Agreement as a whole and not to any particular sentence, paragraph, or Article where they appear, unless the context otherwise requires.

Whenever reference is made to an Article of this Agreement, such reference is to the Article as a whole, including all of the subsections of such Article, unless the reference is made to a particular subsection or subparagraph of such Article.

Should a dispute arise between the parties under or relating to this Agreement, each party agrees that prior to initiating any formal proceeding against the other (except for the seeking of injunctive relief), the parties will each designate a representative for purposes of resolving the dispute. If the parties' representatives are unable to resolve the dispute within ten (10) calendar days, either party may, upon written notice to the other party, require that the dispute be submitted to more senior representatives of each party ("Senior Representatives"). The Senior Representatives of each party shall meet as soon as possible to negotiate in good faith to resolve the dispute.

All provisions of this Agreement relating to confidentiality, non-disclosure, indemnity and insurance shall survive the expiration or termination of this Agreement.

CONTRACTOR shall obtain all necessary permits and licenses required to provide the services contemplated herein.

If any term or provision of this Agreement is found to be illegal and unenforceable, such terms shall be deemed stricken and the remainder of the agreement shall remain in full force and effect.

The preparation of this Agreement has been a joint effort of the parties and the resulting document shall not solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

This Agreement may be fully executed in \_\_\_\_\_ ( ) copies by all parties, each of which, bearing original signatures, shall have the force and effect of an original document.

**Most Favored Customer Pricing:** Signature of this contract by the CONTRACTOR shall act as a representation and warranty that the wage rates and/or costs and/or materials used to determine the compensation provided for in this contract, are accurate, complete and current as of the date of the contract. During the term of this contract, prices for the goods and services required under this contract and offered to BSO must be the equal to or lower than those offered the most favorable customer of CONTRACTOR for similar quantities under comparable terms and conditions. When requested by the BSO's contracting officer or representative, the CONTRACTOR must show that the prices offered to BSO match or are less than those offered the CONTRACTOR'S most favored customers for those quantities under those terms and conditions, and such pricing data must be available for review by BSO throughout the term of the contract. Any price reductions offered to other CONTRACTOR's customers must be offered to the BSO if similar item quantities are involved

**Cost/Price Reduction:** During the term of this contract, BSO reserves the right to negotiate price reductions for any good or service being purchased. During the term of this contract, BSO expects the CONTRACTOR to continually seek to improve production and performance processes and method, and to report on these efforts to BSO. Additionally, price reductions may be sought by the BSO as a result of changes in market conditions, industry trends and indexes, or in cost/price indexes, and their impact on the supplier's cost elements or overall cost. The BSO may terminate this contract for convenience if it feels price reductions are warranted, but the parties cannot reach an agreement on such price reductions.

**Key Personnel:** To the extent that this agreement or related state of work for services to be performed by CONTRACTOR'S key personnel, those services must be performed by the personnel identified in the

CONTRACTOR'S proposal to perform them unless substitutes have been approved in writing by BSO. Use of junior personnel, even under key personnel supervision (for example, associates or student workers), is not authorized unless they are identified in the CONTRACTOR'S proposal by name or position, with a description of their duties. This agreement may be terminated if the key personnel named in the CONTRACTOR'S proposal become unavailable for any reason. If the unavailability of key personnel is not the fault of the CONTRACTOR, BSO may terminate by giving notice of termination. The CONTRACTOR will be paid for service performed up to the date of termination. If BSO finds that the CONTRACTOR is at fault for the unavailability of key personnel, the agreement may be terminated for default.

**Port Everglades Security Requirements**

1. The Port Everglades Department requires persons to present, at port entry, a valid driver license, and valid reason for wishing to be granted Port access in order to obtain a temporary/visitor ID badge. For persons who will visit the Port more than 15 times in a 90-day period, a permanent identification badge must be obtained and paid for by the contractor for all employees, subcontractors, and agents visiting or working on the Port project. A restricted access badge application process will include fingerprints and a comprehensive background check. Badges must be renewed annually and the fees paid pursuant to Broward County Administrative Code, Section [42.6](#). For further information, please call 954-765-4225.
2. All vehicles that are used regularly on the dock apron must have a Dockside Parking Permit. Only a limited number of permits will be issued per business entity. The fee is \$100.00 per permit/vehicle. Individuals requesting a permit must possess a valid Port-issued Restricted Access Area badge with a "Dock" destination. Requests for Dockside Parking Permits must be submitted in writing, on company letterhead, to the ID Badge Office. Applicants must demonstrate a need for access to the dock apron. Requests shall be investigated, and approved, if appropriate justification is provided. Supporting documentation must be supplied, if requested. Dock permits are not transferable and must be affixed to the lower left corner of the permitted vehicle's windshield. Should the permit holder wish to transfer the permit to another vehicle during the term of issuance, the permit will be removed and exchanged at no charge for a new permit. Only one business entity representative will be permitted on the dock at a time at the vessel location.
3. The Federal Government has instituted requirements for a Transportation Worker Identification Credential (TWIC) for all personnel requiring unescorted access to designated secure areas within Port Everglades. The contractor will be responsible for complying with the applicable TWIC requirements. For further information, please call 1-855-347-8371, or go online to <https://www.tsa.gov/for-industry/twic>.
