RE: Interlocal Agreement (ILA) to extend the City of Fort Lauderdale (City) Central Beach Community Redevelopment Agency ("Beach" "CRA") to complete CRA-Funded Construction Projects

Dear Ms. Cepero:

The City of Fort Lauderdale's Central Beach Community Redevelopment Agency (Beach CRA) was due to sunset on September 30, 2023. Currently, the CRA funds associated with previously approved projects have not been fully executed and closed out due to various delays associated with delivering capital projects. The City is requesting to enter into a retroactive Interlocal Agreement for a time extension only through September 30, 2025 to complete unfinished capital projects. The County would not contribute any additional funds to the City's Central Beach Community Redevelopment Agency (Beach CRA).

We ask that you consider this request and if you consent, we'll ask our staff and counsel to work with your team in drafting the ILA for approval. I appreciate your time and attention in this matter.

Sincerely,

Susan Grant
