Owner will provide City in **Exhibit "C"** with written verification of liability protection in accordance with all applicable laws, codes, advisory circulars, rules, regulations, and ordinances of any federal, state, county, municipal, or other governmental entity, as may be amended.

3.2 Owner shall require that each third party contractor that is retained to conduct any of Owner's obligations under this Declaration maintain insurance coverage that adequately covers the services provided by that third party contractor. Owner shall ensure that all such third party contractors name City as an additional insured under the third party contractors' applicable insurance policies.

3.3 Until the expiration or sooner termination of this Declaration, title to and ownership of any structures or improvements situated or erected by the Owner within Special Improvement Area and the structures, equipment and other items installed by Owner

therein and any alterations, changes or additions thereto, shall remain with Owner. Subject to the provisions of the Internal Revenue Code and other local, state, and federal regulations, City agrees that Owner, as between City and Owner, shall be entitled to the tax deduction for depreciation for any structure or structures, equipment or other items, improvements, additions, changes or alterations which Owner constructs and installs.

3.4 Owner has the sole responsibility for all insurance premiums and shall be fully and solely responsible for any costs or expenses as a result of a coverage deductible, co-insurance penalty, or self-insured retention; including any loss not covered because of the application of such deductible, co-insurance penalty, self-insured retention, or coverage exclusion or limitation.

Section 4. Indemnity. Owner and City are entities subject to Section 768.28, Florida Statutes, as may be amended from time to time, and agree to be fully responsible for the negligent or wrongful acts and omissions of their respective agents or employees, to the extent and within the limitations specified in Section 768.28. Except to the extent sovereign immunity may be deemed waived by entering into this Declaration, nothing herein is intended to serve as a waiver of sovereign immunity by any party to which sovereign immunity may be applicable nor shall anything included herein be construed as consent by either party to be sued by third parties in any matter arising out of this Declaration or any other contract.

Section 5. Defaults. In the event any one or more of the following events shall occur:

5.1 Owner shall default in making payment to City of any cost or fees, as and when the same shall become due and payable, and such default in payment shall continue for a period of thirty (30) days after written notice to Owner by City; or

5.2 Owner shall file a petition to be declared bankrupt, or insolvent or be adjudicated or declared bankrupt or insolvent by any court, or Owner files for reorganization under the Federal Bankruptcy Code, or for the appointment of a receiver or trustee for all of Owner's Property; or Owner Enters into an arrangement with creditors; or if Owner's creditors institute Bankruptcy proceedings or receivership proceedings which are not dismissed within one hundred eighty (180) days after same are instituted. However, this provision has no effect so long as all of the other provisions of this Declaration are being performed; or

5.4 Owner shall default in complying with any term, covenant or condition of this Declaration and such default in compliance shall continue for a period of thirty (30) days after written notice to Owner by City specifying the claimed default, and Owner shall not, in good faith, have commenced within said thirty (30) day period, to remedy such default and diligently and continuously proceed therewith; then, if any of the above-referenced events should occur, City may serve a written fifteen (15) day notice of cancellation and termination of this Declaration with respect to the Special Improvements and the Special Improvement Area.

Section 6. Termination. In the event of a termination as provided in Section 5.3, the Special Improvements within the Special Improvement Area and all fees, issues and profits thereof, whether then accrued or to accrue, all insurance policies and, vest in and belong to City. Upon termination, the Owner shall continue to have the duty to pay City any costs or fees that have been incurred pursuant to the terms of this Declaration but shall not have further duties, responsibilities, liabilities or obligations with respect to the Special Improvements or the Special Improvement Area except to the extent Owner is in violation of any and all condition(s) of the Approved Development Plan.

Section 7. Remedies of the City.

7.1 In the event the Owner fails to commence to maintain, make repairs, demolish or take such actions required by this Declaration and such default(s) shall continue for a period of thirty (30) days after written notice to Owner by City, and the City does not terminate this Declaration pursuant to Section 5, it is declared that City has the option and right to take such action which was required to be taken by the Owner at Owner's sole cost and expense. Owner shall then be liable for payment to the City for all reasonable and necessary costs and expenses incurred by City in connection with the performance of the action or actions plus a surcharge of five percent (5%) for amounts up to One Thousand Dollars (\$1,000) and ten percent (10%) for amounts over One Thousand Dollars (\$1,000) and Owner shall reimburse City within sixty (60) days following written demand therefor. Interest shall accrue on the unpaid amount at the rate of twelve (12.0%) percent per annum, compounded monthly, but in no event shall interest exceed the highest amount allowed by Florida law. The City's demand for such payment shall include reasonable documentation supporting the expenses incurred by City. If a dispute arises as to the need for, or amount due to the City for repairs or maintenance undertaken by the City in accordance with this Declaration, and such dispute is not resolved within forty-five (45) days after the date that the City makes the original written demand for payment, the Owner shall pay to City the undisputed amount (if any) and shall provide the City with a bond or other security reasonably acceptable to the City for the disputed amount pending a resolution of the dispute by negotiation or litigation. In addition to any other remedies available to City, the City shall be entitled to recover from the Owner all costs of collection, including reasonable attorneys' fees and court costs incurred at all tribunal and appellate levels.

7.2 If Owner does not make the payments required by Section 7.1 above within the sixty (60) day period set forth therein, then the City shall have a right to record a Claim of Lien upon the Common Area within the Property, which Claim of Lien may be for all reasonable and necessary costs and expenses of any cure undertaken by the City in accordance with Section 7.1 above, the cost of any interim insurance policy as provided herein, and reasonable attorneys' fees and costs associated therewith. The Claim of Lien shall be effective upon the recording of a Claim of Lien in the Public Records of Broward County, Florida, which Claim of Lien shall state all amounts due and owing to the City. The Claim of Lien may be foreclosed by City in the same manner as provided by law for foreclosure of mortgage liens. The Claim of Lien shall continue until payment to the City of the amounts set forth in the Claim of Lien (at which time the City shall record a satisfaction of such lien). In addition to the Claim of Lien, the City shall have all other rights and remedies granted to it by law or in equity for Owner's failure to reimburse the City pursuant to Section 7.1 above. Owner shall be entitled to pursue all legal and equitable remedies to contest the amount or existence of any such lien.

7.3 In the event that the City has provided the notice described in subparagraph 7.1, but the Owner has failed to cure or to commence and diligently pursue cure of the default(s), and the City cures such default(s), makes such repairs or undertakes such protection or maintenance or take other actions described herein, and the Owner fails to make payment in accordance with Section 7.1 the Owner shall be in default under this Declaration. Such a default shall not arise where Owner has paid the undisputed amount and secured any disputed amount, or where the Owner pays the costs of cure as set forth in Section 7.1 above prior to a judicial determination of a default. Upon judicial determination of such a default the City shall be entitled to a judgment of specific performance of this Declaration and the City shall have the right to exercise the options provided herein.

7.4 In the event this Declaration is terminated as provided in Section 5 herein, as an alternative to the other remedies provided herein, City has the right to remove whatever improvements have been placed in Special Improvement Area and Owner shall be in violation of a condition of the Approved Development Plan.

Section 8. Assignment. Owner may sell, transfer or assign this Declaration without the prior written consent of City to a transferee of the fee simple interest in the Property or to an owner responsible for the common areas of the Property (including a condominium association, homeowners association or property owners association), with written notice of the assignment and delivery of a copy of the written assumption of responsibilities executed by assignor to City, which such transfer or assignment shall be given in a recordable form and shall be recorded by Owner or Owner's assignee or transferee. Owner's assignee or transferee shall assume all obligations arising under this Declaration, and, thereafter, Owner shall be fully released and relieved from all liability and obligation hereunder. If the Property is converted to condominium form of ownership, then the applicable condominium association shall automatically be deemed the Owner and no other assignment or other documentation is needed in order to effectuate the transfer. Other than as described in this subparagraph, Owner may not sell, transfer or assign this Declaration without the prior written consent of City.

Section 9. Notice. Whenever it is provided herein that notice, demand, request or other communication shall or may be given to, or served upon, either of the parties by the other, or either of the parties shall desire to give or serve upon the other any notice, demand, request or other communication with respect hereto or with respect to any matter set forth in this Declaration, each such notice, demand, request or other communication shall be in writing and any law or statute to the contrary notwithstanding shall not be effective for any purpose unless the same shall be given by hand delivery, transmitting same by Federal Express or similar delivery method, or by registered or certified mail, postage prepaid, return receipt requested, addressed to the party at the address set forth below, or at such other address or addresses and to such other person or firm as City or Owner may from time to time designate by notice as herein provided.

To Whom it may Concern:

Broward County / Broward County Board of County Commissioners (Board) is a self-insured political subdivision of the State of Florida.

The Liability program, in effect since May 10th, 1977, operates in accordance with Florida Statutes, 768.28, and provides statutory limits on a basis for liability without waiver of Sovereign Immunity. This is a fully funded self-insured and self-administered program.

The Workers Compensation program operates in compliance with and under the auspices of Florida Statute, Title 31 Labor / Chapter 440 Workers' Compensation. This is a fully funded self-insured and self-administered program, and the Board has elected to purchase excess of loss coverage.
